President’s Welcome

WISE WORDS FROM SENIOR’S VICE PRESIDENT – MICK COLLINS

Hello all and welcome to the bears sixth game of the season. Today the Toowoomba Bears welcome the Condamine Cods to what looks to be a very tough and competitive A Grade game. C grade will be fighting for the win against the Chinchilla River Rats.

Bears will be hoping to keep the same form as last game and get the wins today.

Bears have welcomed some new players to the club and some old players come back which has helped the club immensely.

We wish Condamine and Chinchilla the best of luck but hope the bears get the win today to make it two in a row.

Good luck and play hard.

Go the grow!!!

Yours in Rugby,

Mick Collins – Seniors vice president
