## ABOUT US

Since opening in 2011 the Colorado Springs Event Center has undergone several upgrades and added an additional 50,000 sq. ft. to its already spacious 40,000 sq. ft., enabling this versatile venue to handle a wide variety of trade shows, consumer shows, banquets, conferences and special events of every type.

**Let us help you make  
your next event a success!**

The Colorado Springs Event Center hosts events for 25 to 20,000+ attendees.

The Colorado Springs Event Center's vision is to be one of the regional and national leading event centers.

The Colorado Springs Event Center provides a wonderful, spacious, welcoming and fun experience at a great value.

The facility offers a wide range of show layouts for boothing, table tops, auto shows and custom setups. For trade shows, the Event Center easily accommodates over 400, 10' x 10' booths. The Event Center has an in-house technology department serving your event's power, connectivity, computer services, event staging and presentation needs.

Load in, setup and tear down are simplified with our show floor level loading dock and drive in bay in each hall which offers easy move in and move out for your staff and vendors. In addition, the event center offers secured exhibitor entrances, exhibitor parking and adequate space for overnight RV parking.

For decorating needs, the Event Center staff offers the versatility of placing orders with our preferred decorator at discounted rates.

The Event Center offers customized exhibit packages and add-ons for vendors to showcase boothing and captivate attendees.
