MORE PROJECTS FOR CRAZY CRAFTERS..... 77

INFORMATION FOR TEACHERS:

Throughout the booklet, you will find activities according to the contents, dedicated to celebrations and special days, an appendix with extra activities ...

To optimize the use of the booklet, at the beginning of each term or at the beginning of the course, have a look at the proposed activities, because some of them need a very specific material which must be prepared in advance, recycled or purchased material.

At the end of the booklet, you will find an envelope to keep unfinished work.

YouTube channel: [Art All The Way](#)

Search on the Internet an origami figure to build. Here you can see some websites to build origami step by step.

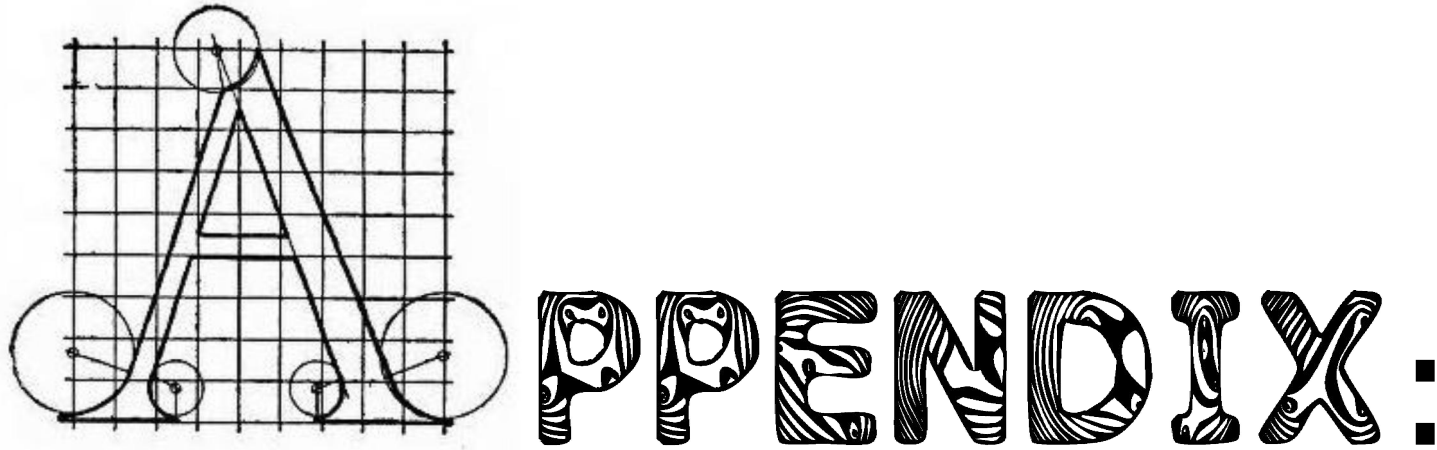

34. Special day: Summer 1.

Make a memory game.

49

Use foam or cardboards to cut some ice-cream shapes, drawing designs on them in twos. Glue a craft stick on each ice-cream, and play to find the partner.

DEMO QUINTO – ENGLISH

(The appendix is out of timing, it has extra activities for spare time, which can be done in class or at home).

6. Decoration: Winter.

Make snowflakes with craft sticks.

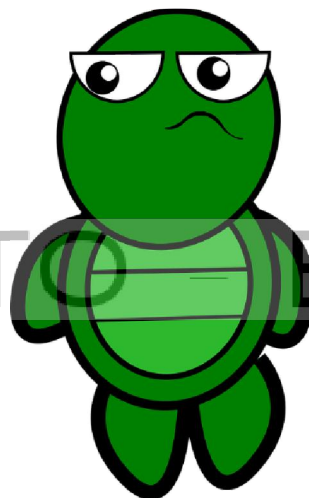

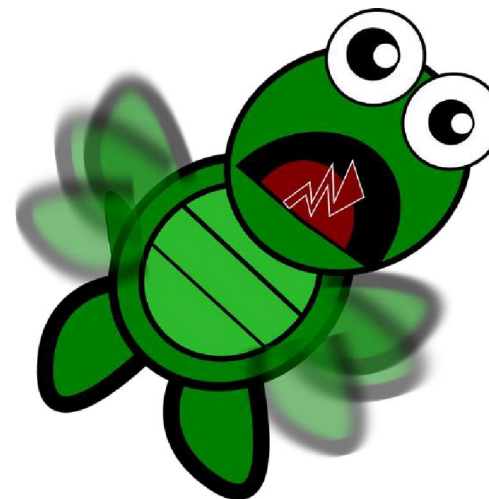

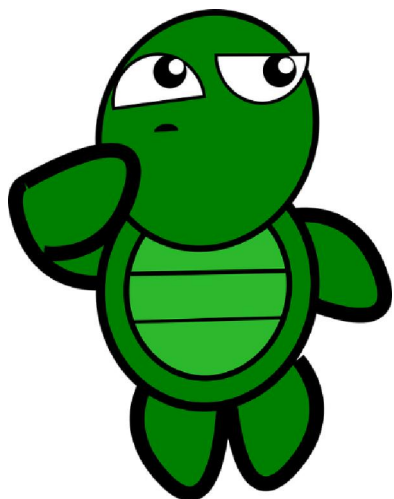

59

Glue three craft sticks in the middle to create a six-pointed star. Paint and decorate the snowflakes with different colours and materials.

7. Extra activity: Make a sequence.

Make a sequence to create a story.

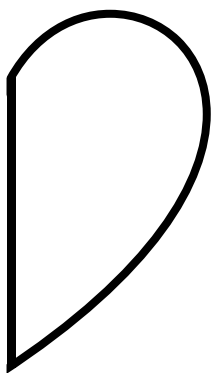

Cut out the pictures and make a sequence with them creating a story. Glue them on a cardboard. You can draw panels and speech bubbles and write a comic.

9. Special day: St Patrick's Day.

Make a shamrock with heart shapes.

62

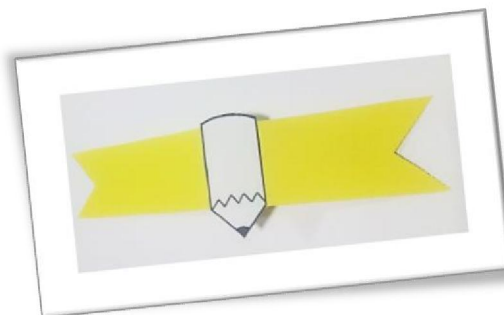

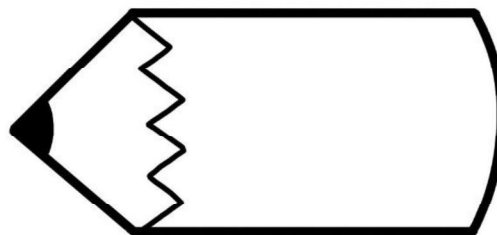

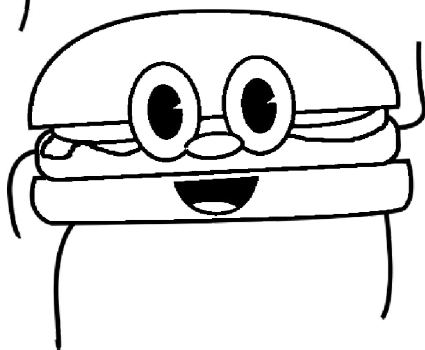

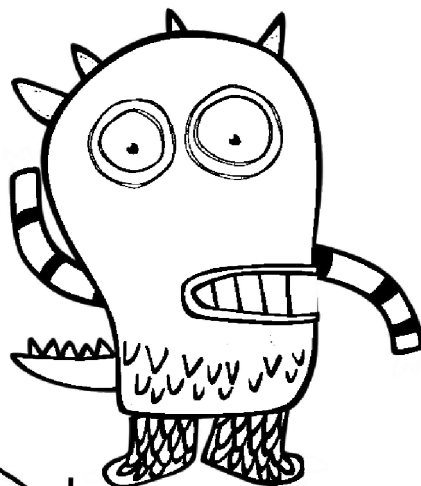

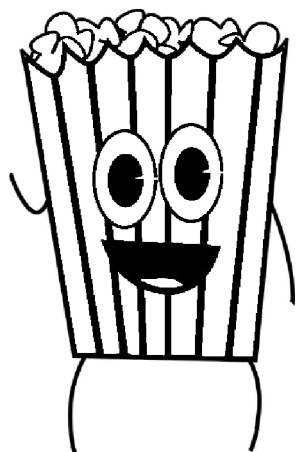

DEMO QUINTO – ENGLISH

Fold a green cardboard and cut eight heart shapes (you can use the template). Glue the heart shapes on a cardboard or a card forming a shamrock.

12. Special day: Book Day.

65

Make a bookmark with a magnet.

DEMO QUINTO - ENGLISH

Cut out this yellow strip and fold it in half. Cut out one of the pictures on this page or draw another different one. Glue the picture in the middle of the strip. Glue a magnet behind the bookmark.
