MORE PROJECTS FOR CRAZY CRAFTERS..... 82

INFORMATION FOR TEACHERS:

Throughout the booklet, you will find activities according to the contents, dedicated to celebrations and special days, an appendix with extra activities ...

To optimize the use of the booklet, at the beginning of each term or at the beginning of the course, have a look at the proposed activities, because some of them need a very specific material which must be prepared in advance, recycled or purchased material.

At the end of the booklet, you will find an envelope to keep unfinished work.

You can access to the teachers' syllabus by reading the following QR CODE:
