

05 - Douse the Spinnaker

- Block
- Winch

Step 1: Bring the Pole Down to the Foredeck Crewmember (Using the Working Guy and Topping Lift)

Step 4: Lower the Sail using the Spinnaker Halyard and pack the sail into the bag.

Step 3: Release the Tack

Step 2: Slack the Working Sheet

Don't forget to grab the lazy guy before the release. Use it to pull in the sail.
