To Whom It May Concern,

I am writing this letter on behalf of Apoorva Panidapu, who I have worked with through her association with Save the Children, a non-profit organization whose mission is to inspire breakthroughs in the way the world treats children, and to achieve immediate and lasting change in their lives. In doing so, we have the ability to empower people like Apoorva to make a difference through fundraising and humanitarian service.

As a fundraiser, Apoorva worked to take action to defend human rights. She connected with Save the Children and created a fundraiser dedicated to our Child Hunger and Famine Relief Fund, which aids children of Somalia, South Sudan, Ethiopia and Kenya by giving them sufficient food, water and shelter. To launch her fundraiser, she created her own online art gallery to connect with people who would like to buy her art or make donations in support of her cause. Since starting her fundraiser, she has raised \$4,227.

Apoorva is a committed, intuitive leader and has been one of the most highly involved and enthusiastic advocates for Save the Children. It is an honor to write this letter in support of Apoorva Panidapu, as she has shown incredible character through her leadership position as a volunteer and fundraiser, and is ever so dedicated to helping others. I have no doubt that Apoorva will make a lasting impression through her continued pursuits and commitment to excellence and service.

If you have any questions regarding Apoorva's work with Save the Children, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in black ink, appearing to read "Cniels".
