

What We Do

We are an entity working towards becoming a 501c3 organization in order to support our community library. Support includes volunteering and raising funds. Funds raised are used to enhance programs and services and for capital improvement projects.

Membership

Membership benefits include: Early entry into our yearly book sale, fine forgiveness and one free fax/month.

Friends & Foundation Incorporation

In August of 2019, with support from the Library Board, Staff, community members and businesses, the Friends & Foundation of the Goddard Public Library was incorporated. We have raised funds in order to apply for our 501c3 status. This organization is coming together in order to promote and support our community library. FFGPL will raise funds to enhance programming and services at GPL, along with raising funds for capital improvements. Volunteers are a large part of this organization.

Volunteering

There are many ways you can volunteer. You can volunteer your time to help with programs and services or for fundraising efforts. The Library is a busy place and always has lots of things that need to be done. Let us know if you would like to volunteer.

Fundraising

You can fundraise in big or small ways. That is why we have incorporated the Friends and Foundation together. Those who would rather raise smaller amounts of money to enhance programming are able to do this. Those who would rather raise larger funds for capital improvement projects can do this as well. Any and all help is appreciated.

Board Members

We are always looking for individuals who are passionate about libraries. If you would like more information about volunteering your time by becoming a member of the FFGPL Board please let us know.

Become a part of our community by working to support our local Library.
