

Dealership Differentiator

The Infinite Wraps (IW) Dealership Differentiator program is an invitation-only partnership designated for motorcycle and powersport dealerships that are well established and have a 4- or 5-star rating. The program is strategically designed to maintain a competitive edge for participants. We invite you to partner with Infinite Wraps to enhance your service offerings with quick-turn, top-notch color change wraps.

Only one dealership will be allotted exclusivity to IW color change wraps for their chosen category for the duration of one season. Available categories include motorcycles, utility vehicles, ATVs, three-wheeled motor vehicles, and scooters. Slots go quickly.

Competitive edge

Color change wrap customization is a great solution to overcome business challenges so you can avoid the "All dealers are the same" problem.

Vinyl wrap customization is a compelling advantage your dealership can leverage to gain more market share, attract and retain clients, and increase revenue.

Color Change, Changes Things

A whole new look. On a whole new level.

Quick-turn Customization

We offer a quick three business day turn-around so that you can provide buyers with fast color change services that factory customization or a custom repaint can't provide.

There is a tremendous variety of vinyl color and finish options for consumers.

Make Infinite Wraps Your Dealership Differentiator

Offer your clients a unique and distinctive experience beyond that of your competitor by partnering with Infinite Wraps. Dealers who invest in a marketing differentiator are much more successful than those without one. In fact, providing the IW Dealership Differentiator can be the determining factor that influences a buyer's decision to make a purchase!

Infinite Wraps' Dealership Differentiator program offers a memorable customer experience, fueling instant awareness for your dealership, products, and services while distinguishing you as the dealer of choice.

A faster, easier and more cost-effective color change option for clients.

Professionally applied wraps by IW are removable and won't damage factory paint

An offer they can't refuse

Vinyl wrap customization is a natural addition to your product and service offerings. Clients want to make their vehicles unique and stand out from the same make and model and any other motorcycle while cruising. While matte black is a trending color/finish combo, Infinite Wraps is not limited by any one color, be it solid, an all-over pattern like camouflage, or even a textured finish.

How it works color change wraps

Vinyl wraps allow clients to change the color of their motorcycle or powersport vehicle to create a custom look that's unique to their style. Unlike repainting, a wrap can be applied in days and be removed if the client desires to go back to its original appearance or make a design change with another custom wrap.

A color change wrap is the durable, stylish, personalized customization option to offer your clients. Select from an assortment of colors and finishes designed to produce head-turning results for any motorcycle or powersport vehicle.

Elevated customer experience

Color change customization creates versatility and a memorable customer experience fueling instant awareness for your dealership, products, and services while distinguishing you as the dealership of choice.
