

oreon pendant

DESCRIPTION

An amazing celestial inspiration is clearly evident in the contemporary Oreon low-voltage pendant light from LBL Lighting. Concentric, satin nickel rings create a kinetic effect and reflect the LED light as they are illuminated by the glow emanating from the central White glass globe. Oreon would make a contemporary lighting design statement as a living room light, dining room light, kitchen light, foyer light, a bedroom light and more. The bi-pin LED light bulb delivers 35,000 hours of life with 387 delivered lumens. Available in a Satin Nickel finish, Oreon's dimensions are 11.8" wide and 11.8" in diameter. The LED Dimmable with an ELV dimmer. Includes (1) 9 watt 387 delivered lumens 80 CRI 3000K LED module and 7' of field-cutable suspension cable. LED dimmable with a low-voltage electronic dimmer.
