

astora pendant

DESCRIPTION

The Astora pendant light by LBL Lighting has a fluted profile which gives this classic, soft cone silhouette a contemporary flair. It's easy to image multiples of the Astora pendant light installed in the bar area of a restaurant or hotel, or as lighting over a kitchen table or island where soft downlight is ideal. Three finish options are available, each offering a unique interpretation of the design: Satin Gold finish with a Bronze cord; Gun Metal finish with a Gray cloth cord; and Matte White finish with a White cloth cord. Color coordinated canopies match each fixture's finish. A larger version (18" in diameter), the Astora Grande pendant light, is also available. Damp-rated and dimmable, its dimensions are 10" high by 11.9" in diameter. Includes 6' of field-cuttable cable. Available with or without lamp. E26 medium base socket 75w max. LED version includes (1) 9 watt 816 delivered lumens 90CRI 3000K LED A19. Dimmable with a low-voltage electronic dimmer. 120v.

WEIGHT

4.25-4.25lb / 1.93-1.93kg ±
