## Application Recommendations

# Adhesion performance is guaranteed 15 days after receipt. Do not unpack if you do not wish to apply immediately. If you already did, place some weight over the pieces to prevent them to bend.

# Ideal for flat and smooth surfaces.

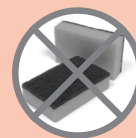

# Not recommended for surfaces that are porous, irregular, freshly painted or those that do not allow good adhesion.

# Not recommended for places subject to humidity and sun exposure.

## Cleaning PLIC!

# We recommend the use of a vacuum cleaner, duster and/or damp cloth.

# Do not use:

Sponge

Chemical

Steel wool
