

Only 2019 Retreat Masterclass

NOVEMBER 1-5TH, 2019

Retreat Masterclass

Ryldges on Swanston, Melbourne

Retreats are about beauty

A beauty that comes from within the heart.

They are about a deep connection to yourself, to others and the world.

They are about learning, communication, and culture.

They change lives in mysterious and often unseen ways - they allow you to dream of the possible and learn ways to take that dream home and meld it into the everyday.

They are the seeker of truth because when on a Retreat it has a way of finding you.

Retreats change lives - they just do!

Whether you sign up for a life-changing journey or want to run one yourself they alter the way you look at the world.

This is because they take you from your ordinary into an extraordinary world

- one where you can dare to dream, learn, laugh and connect.

One that takes you away and sends you home different.

Retreats are for the brave and if this is you then come on in and feel the magic.
