## About Us

Established in 2017, Amassed is a Malaysia-based packaging and distribution service company that offers end-to-end logistics chain solutions from packaging, warehousing to transportation of machinery and equipment, raw material and supplies. Along with delivering goods with great speed and high flexibility, we strive to maximise protection for your valuable goods with our bespoke packaging solutions.

At Amassed, we have great passion of providing curated packaging design, inventory management consultancy and warehousing services for private and commercial clients.

Realising there is a need for reliable packaging firms offering a balance between personalised, flexibility and speedy services, the team's enthusiasm, creativity, and professional commitment to achieve these requirements has translated into the success of our clients' endeavours.

Today, Amassed provides various range of packaging designs for your business needs. We've expanded to include eco-friendly packaging into our offerings. All goods are packed in accordance to the current regulations for land, air and ocean freight. The company continues to keep up-to-date with the latest packaging designs in the market, implement new technologies and techniques to provide curated and highly secured packaging services, on top of delivering flexibility and achieve projects' timeliness, leading to high satisfaction that you deserve.

## Our Mission

Achieve costs reduction and increase time efficiencies throughout clients' entire supply chain by providing highly effective and efficient packaging and logistics services.

Our vast experience in the industry has equipped us with the expertise and reputation in offering highly efficient and quality services in accordance with the packing preference of clients. By cross-leveraging on our founders' expertise backed by strong team of specialists, network and resources, we are confident in ensuring that your goods are delivered to their destination on time and safely.

## Our Vision

Flexibility, speed and innovation is what drives the current generation of Amassed. We aim to be the Malaysia's leading packaging, warehousing and distribution solutions provider for our clients.
