ATTENZIONE!

Non guardare direttamente i LED per più di qualche secondo - Do not look directly into the LED light for more than a few seconds - Non permettere ai bambini di usare la lampada senza la supervisione di un adulto - Do not allow children to use LED light unless under supervision of an adult - Non lasciare la lampada accesa incustodita. La lampada può diventare rovente dopo un uso intensivo. Assicurare un'adeguata ventilazione durante l'uso e non toccarla prima che si sia raffreddata - Do not leave the flashlight on unattended. The flashlight becomes extremely hot after extended use. Ensure sufficient ventilation during the use and don't touch before it's cooled off.

WARNING!
