****Please note; as we have just under a few hundred students and families enrolled at KGD now, we will not be able to offer a combination that suits everyone. Please understand that if you have multiple children performing in the showcase, it is not always possible to have them all in the same performance, as we offer so many different combinations of classes and everyone does something different! Trying to balance audience members evenly across both shows is another aspect we must take into account. Thank you for your understanding.**

****Please note, as we have had these Showcase dates advertised since February, we are unable to make amendments to invoices resulting in 'change of mind'. All costumes have been ordered with various companies, dress makers etc, so we are unfortunately not in the position to be offering refunds. Previously we kindly requested that customers were to inform us before term 3 should you be unable to take part in this year's Showcase. Thank you for your understanding.**
