*Madam,*

1. It gives VMC of KV AF Station Yelahanka immense pleasure in informing you that KV AF Stn Yel has done exceptionally well in X & XII exams including CET as compared to previous years.
2. Your marathon Maths session at AF Stn Yel has indeed helped many students of KV & AF School in scoring exceptionally high marks in Maths.
3. Although this station has constraints of accommodation, four presentable classrooms have been handed over to KV.
4. Fixing of Swan Angles around KV accommodation is being undertaken. On completion of the same, separate Entry / exit issue would be considered which has been withheld owing to unavoidable security reasons.
5. Towards overall development of the schools i.e., KV AF Stn Yel and AF School, a common councillor has been employed at a nominal honorarium of Rs. 500/- each with the approval of the Chairman VMC. The councillor role includes counseling of students, teachers, parents, delivering lectures on Personality Development and Stress Management etc.,
6. Looking forward to further better performance of KV AF Stn Yel under your professional guidance.

*With warm regards*

Mrs. Chitra Gurumurthy  
The Asst Commissioner
