

Nordic Aquafarms to Begin Permitting Process in Humboldt County- Community Invited to Learn More

***Thursday, November 14, 5:30 - 7 p.m.
Wharfinger Building, 1 Marina Way, Eureka***

The community is invited to meet with Nordic Aquafarms representatives to learn more about Nordic's plan to construct a fully contained, state-of-the-art production facility in Humboldt County.

Hear details regarding the Recirculating Aquaculture Systems (RAS) technology that will be used to eventually grow and process about 27 metric tons of fish. Community members are encouraged to attend this event which will offer a formal presentation and open forum for questions.

Refreshments will be provided.
