in collaboration with [University Health Service](#) and [MHealthy](#)

## It's Easy to Get a Flu Shot on Campus!

- Many walk-in clinics available, no appointment needed
- For U-M students and non-Michigan Medicine faculty and staff, plus their spouses, other qualified adults, and dependents; must be at least 18 years old
- Preservative-free vaccine is administered in the upper arm, so please wear appropriate clothing

## Cost and Insurance:

- Individuals covered under an accepted health insurance plan (see list below) will not have to pay out-of-pocket. Please bring your insurance card.
- Those not covered under an accepted insurance plan can still receive a flu shot at a cost of \$30 per person. Pay by credit card, check, or bill to a **U-M student account**.
