- 12/16 - 9:00a - Deadline for Starstruck DVD Orders
- 12/17 - Young Entrepreneur Day, 9-11a, MPR
- 12/18 - FREE DRESS DAY
- 12/19 - 1/6/20 - WINTER BREAK NO SCHOOL
- 12/30 - Deadline for ordering lunches for the week of January 6
- 1/7/20 - First school day after break (Tuesday)

Young Entrepreneur Day !?

What is it? Students in seventh and eighth grade are studying basic business concepts and how to become an entrepreneur. They have developed a business plan and have created unique items to sell to the school community that range in price from \$.25 - \$5.00.

When is it? Tuesday, December 17th from 9:00 am to 11:00 am in the school MPR.

How can I support? Stop in and shop on the 17th or send your child(ren) to school with money to shop. Each classroom will be visiting the MPR Tuesday morning to see what the kids made / are selling. You are more than welcome to shop with your child(ren) during his/her designated shopping time.

Questions? Contact Green Room Teacher Emily Jennings at ejennings@mmcharter.org.

Lost and Found

Our Lost and Found is getting really full again. LOTS of jackets! We will be donating Lost and Found items to charity during Winter Break. If you suspect your child has left something at school, PLEASE come check out our Lost and Found before the end of the day on Wednesday, 12/18/19!

January 2020 Hot Lunch Menu now available for ordering

The January menu for hot lunch is available for ordering. The deadline for ordering for the week we're back from Winter Break is 12/30/19.

Next Round of After School Clubs is coming up - first sign up now available for 'MMCA Art Club - PAINT Lab'

Our first sign up flyer for one of our After School Clubs post break is now available. It's "MMCA Art Club - Paint Lab". Please see sign up flyer below.

MMCA ART CLUB PAINT LAB

GRADES K - 3

WEDNESDAYS

January 8 - February 12
 Kindergarten: 2 - 3 pm
 Grades 1-3: 3:15 - 4:15pm

This 6-week Paint Lab is packed with painting techniques designed to encourage learning through exploration. Students will experiment with various materials such as liquid watercolor, acrylic paint, diffusing, tie-dye, marbling & more. Become a paint scientist as we mix, swirl and explore!
