

POP AND SHAKE PRESENT:

Developments at VCU
Parkinson's and
Movement Disorder
Center

Power Over Parkinson's and the Movers and Shakers invite you to join us for an informal meeting where we will discuss updates at VCU's Parkinson's and Movement Disorder Center, including research projects and developments within the Department of Neurology.

Speakers will include:

Dr. Mark Baron
Dept. of Neurology, VCU Health

A light meal will be provided to all registrants.
