Dros y dair mlynedd ddiwethaf, fel rhan o brosiect peilot i achub bele'r coed rhag mynd i ddifancoll yng nghanolbarth Cymru, cafodd 51 bele o'r Alban eu rhyddhau yn rhai o goedwigoedd yr ardal. Dewch i glywed am eu hynt a'u helynt ac i rannu eich profiadau o fyw ochr yn ochr â'r creaduriaid brodorol nodedig hyn.

Update on the pine marten recovery project in mid Wales

Over the past three years, as part of a pilot project to save pine martens from extinction in mid Wales, 51 martens from Scotland were released into woodlands in the area. Come and hear how they are getting on and share your experiences of living alongside these distinctive native animals.
