

Nordic's Munsell Green Spray Paint

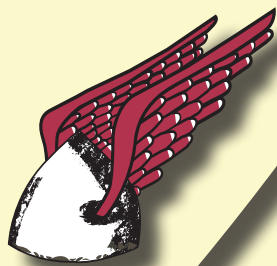

- **For Touch Up Use Only**

Directions for use:

1. Clean surface to be sprayed.
2. For best results, can should be at room temperature.
3. Shake can for one minute after mixing balls rattle.
4. Apply in several thin, even coats.
5. For best results do not apply in conditions of high heat and humidity.
6. To prevent clogging and to clear spray tip after each use, turn can upside down and spray until only clear gas is emitted.
7. UNDER NO CIRCUMSTANCES STICK ANY SHARP OBJECT INTO THE HOLE ON THE TOP OF THE METAL CAN.

**Munsell Green
Spray Paint sold in
12 oz. cans.**
