FELLOWSHIP MEETING NOTES:

1. The March Annual Business Meeting of the Academy will begin at 5:30p.m. and all members are encouraged to attend. The reception and Endowment fund dinner will follow.
2. **REMINDER:** The April meeting of the New York Academy of Dentistry is our social meeting and this year it will be held on **Thursday, April 18th** at the Union League Club. All members and guests are welcome! The speaker will be Mr. Bill Thompson, previously a candidate for New York City Mayor and currently chair of the City University of New York Board of Trustees.
The cost will be \$135 per person, so mark your calendar now! It's never too early to reserve your place.
3. At the March meeting of the Academy and Endowment Fund, we will be welcoming and inducting new Associate Members Drs. Kelsey Karsten and Neal Lehrman. Congratulations to both!
4. Fellowship Chair Dr. Egidio Farone, and his committee, are continuing to evaluate applications for nomination to Fellowship in our Academy. It's always the time for you to consider colleagues who might be eligible for Fellowship. Applications can be acquired online at our website: www.nyaod.org, then click on Membership and How to Nominate a New Member. The protected password for members is 'Ethics'. Or call Carol Bensky at 201 440 4498. All application materials must be **emailed** back to Dr. Farone. **NYAD policy is that all application materials be sent to him electronically at dr.farone@msn.com.**
Please note that our Bylaws state that: No nominee who is not a member in good standing of the American Dental Association, or its equivalent, shall be eligible for membership in any class (Associate or Active Fellow).
5. The Donated Dental Service Program is still looking for more volunteers, particularly general dentists. The program enables dentists to reach out to New York's most vulnerable residents – elderly, disabled and medically compromised people – who desperately need comprehensive dental care that they cannot afford. All patients are prescreened for eligibility and the volunteer dentist is never under any obligation to accept referred patients. The dentist determines the treatment plan and no extra paperwork is produced for the office staff. Funding for the program has been cut out in New York State but the city program is still in effect and the waiting list is growing.
