

The New York Academy of Dentistry Thursday, January 10, 2019

4:45 p.m. Board of Directors Meeting*

6:00 p.m. Reception

6:45 p.m. Dinner

8:00 p.m. Presentation of Endowment Fund Lecture

*All members are invited to attend Board of Directors Meetings

FELLOWSHIP MEETING NOTES:

1. Fellowship Chair Dr. Egidio Farone, and his committee, are continuing to evaluate applications for nomination to Fellowship in our Academy. As we now have open enrollment, it's always the time for you to consider colleagues who might be eligible for Fellowship. Applications can be acquired online at our website: www.nyaod.org, then click on Membership and How to Nominate a New Member. The protected password for members is 'Ethics'. Or call Carol Bensky at 201 440 4498. All application materials must be emailed back to Dr. Farone. **NYAD policy is that all application materials be sent to him electronically at faronedmd@msn.com.**

Please note that our Bylaws state that: No nominee who is not a member in good standing of the American Dental Association, or its equivalent, shall be eligible for membership in any class (Associate or Active Fellow).

2. At the January meeting, we will be voting for membership into the Academy of the following: DANIELLE CURRIER, KELSEY S. KARSTEN, PHILIP J. KLEIN, CHAD LAZAR and NEAL LEHRMAN.
3. The Donated Dental Service Program is still looking for more volunteers, particularly general dentists. The program enables dentists to reach out to New York's most vulnerable residents – elderly, disabled and medically compromised people – who desperately need comprehensive dental care that they cannot afford. All patients are prescreened for eligibility and the volunteer dentist is never under any obligation to accept referred patients. The dentist determines the treatment plan and no extra paperwork is produced for the office staff. Funding for the program has been cut out in New York State but the city program is still in effect and the waiting list is growing.

Consider signing up by going online to www.nfdh.org or calling 888 471 6334 today!

4. Below is a list of the remaining Fellowship/Endowment Fund meetings for the year:

January 10, 2019	Dr. Scott Froum Treatment and Prevention of Peri-Implantitis
------------------	---

February 7, 2019	Dr. Alan Atlas Evidence Based Principles for Successful Indirect Restorations from Preparation to Cementation
------------------	---

March 14, 2019 Dr. Bijan Anvar
Computer/Information Security

April 18, 2019 Social Meeting
Look for Updated Information on this meeting as
the place and program have not yet been Finalized

8:00 P.M.**

**ETIOLOGY, DIAGNOSIS AND TREATMENT OF IMPLANT COMPLICATIONS: IMPLEMENTING
FINANCIAL STRATEGIES AND AVOIDING LEGAL PITFALLS**

SCOTT H. FROUM, DDS

The advent of dental implants to replace hopeless or missing teeth has been a financial boon for dental offices. Most specialty offices and over 55% of general dental offices are placing and restoring dental implants. Unfortunately, proportional to the increase in dental implants being placed will be the percentage of peri-implant complications that need to be corrected. A recent review stated that over 30% of all litigation cases involving implants is affiliated with the failure to diagnose, treat, and/or refer cases of peri-implantitis. This presentation will review the etiology, diagnosis, and treatment of peri-implant problems. Current soft and hard tissue augmentation procedures designed to correct defects associated with dental implants will be discussed.

Educational Objectives:

1. Learn how to recognize and diagnose ailing and failing implants
2. Provide the decision matrix for treating vs. extracting ailing/failing implants

Dr. Scott Froum is a board certified periodontist who received his BA from Amherst College in Amherst, MA. He received his DDS from the State University of New York Stony Brook School of Dental Medicine, where he graduated with honors. He continued his dental training in the post graduate periodontal department at the State University of New York Stony Brook School of Dental Medicine and received his periodontal certificate. He currently is a Clinical Associate Professor at SUNY Stony Brook School of Dental Medicine in the Department of Periodontics. He is Chief Editor of the Perio-Implant Advisory. He has lectured on the national and international level on implant therapy, bone and gum regeneration, and complications.

Disclaimers:

1. To our knowledge and based on information received from Dr. Froum, there is no financial relationship between Dr. Froum and any commercial sponsors. .
 2. All clinical CE activities offered are grounded in scientific evidence that is accepted within the profession of dentistry and any known risks and benefits of any clinical recommendations discussed in the CE activity will be presented
-

The New York Academy of Dentistry is an ADA CERP recognized provider of continuing education credit.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The New York Academy of Dentistry designates this activity for one (1) continuing education credit.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ADA.org
