Mom? You're *early!*  
Um ...see ...it's like  
*this ...*

Mom?! You are *NOT*  
my daughter young  
lady. And whose *baby*  
is *that?* Answers *now*  
please or I'm calling  
*the police!*

Mommy!

A 3D rendered scene depicting a young girl with blonde hair and bangs, wearing a pink and white patterned diaper, running barefoot on a wooden parquet floor. She is looking up with an open mouth, appearing distressed. To her right, the lower half of a woman is visible, wearing a bright green string bikini. The woman is standing still. On the far right, a portion of another person wearing a dark grey pleated skirt is visible. In the background, there is a wooden baseball bat leaning against a wall, some books, and a small black stool. Two speech bubbles are present: one above the girl's head and another near the floor to her left.

*Ma ma!  
Ma ma!!*

*Mommy will  
save me!*

Uh oh ...this is  
sooner than I  
wanted. Gotta sell  
this.

Mama! Mama!  
Hewp! Wexi mean!

*\*sigh\** I'm sorry Cutie Pie,  
but I'm *not* your Mama. My  
girls are *a lot* older than you.

Er...welllllll ... about  
your daughters...

Is that why you're here? Was  
Lexi mean to this sweet little  
thing? If so I apologize. She's  
been a handful recently, and  
perhaps I was a bit rude as well.  
Let's start over, Miss...?

*Mama! Dat Wexi! I  
'Becca! Dis awl Wexi's  
fawlt! I no baybee, I  
gwon-up! Mommy  
hewp! Pweese!!*

Such a talker! You know so many words! And...come to think of it ...you do look just like Rebecca did when she was...

I 'Becca!  
I 'Becca!!

*...Oh my God! When she was almost three! Exactly! That's not possible!*

*Uh ...s ...surprise! Becky's a baby again Mom...and I ... well ...grew.*

Mommy...

Is ...is this a joke? Rebecca?  
Oh my ... it *IS* you. My *baby girl* ... my *sweet little baby girl* ... *back again*. W ... what's going on?!

What ...what happened to you, Princess?

*Shhhh ...calm down  
Sweetness ...calm down.  
Everything will be alright.*

*Well Lexi ...what do you have to say?*

*R ...Rebecca was gonna spank me for like NO reason so I wished her little. I didn't know it would work!*

*Wexi bad!*

*Shhh ...Mommy's talking, Kitten.*

Then ...then I made myself *big* to take care of her. I even bought her *ice cream*. I only *punished her* when she was *naughty* and *didn't listen* to me. And she *wet herself*! That's why she's *in diapers*.

*Just look at her, you can see she's a baby now. She can't control anything about herself. So ...now I'm the *big sister* and she's the *baby sister*. I've been really good at taking care of her, I swear. Cross my heart...*

So ... *you did* do this? And  
it was an ...*Amulet*?  
Rebecca's *Amulet*? And  
*you made yourself* into an  
*adult* with it?

*\*whine\** No! I waz *bigga*,

*Amuwet!* *Amuwet* may  
*'Becca big!*

Um ...yeah. She ...let me see it! I'll show you how it works ...when I find where I left it.

Hush Kitten, Mommy is talking to Lexi.

I can barely believe ANY of this ...though I'll admit Rebecca is ... well ... a baby ...

\*sniff\*

Mommy's gonna punish Lexi!

A 3D-rendered scene set in a room with a wooden parquet floor and a light-colored wall. On the left, a woman with long red hair tied in a ponytail stands wearing a bright green bikini. In the center, a woman with short blonde hair, wearing a white lace short-sleeved top and a dark grey skirt, holds a small child with blonde hair in her arms. The child is wearing a pink diaper. A speech bubble from the woman in the center contains text. Another speech bubble from the woman in the bikini contains text. In the background, there is a framed picture of a tiger and a dark red vase with dried reeds.

*I had to ...*

I have to *sit down* a moment and pull myself together. You've been *taking care* of her, you say?

*My little baby girl ...back in my arms. I can hardly believe it. My little baby ...*

*Mommy warm...*

*...I ...uh ... I took her out to play, put her down for a nap, changed her diapers, and we even played dress-up! I can show you some videos!*

Oh yeah! And pictures! She's been acting like a *little kid* from the *beginning*. I was ... um ...*afraid* to grow her *back up*.

You took ...  
*videos?*

And *that's* why you  
*spanked her?* For  
being *naughty?*

Yup! More *than once!* She just  
keeps *misbehaving.* I know you  
left *her* in charge, but *things*  
*changed* ...and she was so  
*stubborn* about *listening to me* ...  
the *grown up.* I had to use the  
*naughty chair* and Mr. 'Panky.

\*suck  
suck\*

No! Is Mommy  
gonna side wit'  
Lexi? Noooo...

*Shhhh ...hush Baby.  
Mommy knows best.*

*Mommy no! Wexi  
wying! She...she...*

Yes! It worked!  
Mom *believes*  
me!

Yes Ma'am!

No! Wexi bad!  
Mommy...

Lexi, could you get  
Mommy *Mr. Panky*  
please? I seem to have a  
*very naughty baby girl* on  
my hands here.

*\*whine\** Mommy,  
pwease...

Now *hush*, Baby girl.  
There is *nothing more*  
to *discuss*. I've made up  
my *mind*.

Yes ...I do ...

*There you go Mom. You  
do have a very naughty  
daughter here.*

*Awaaaaaa  
aaah ...*

*...and I'm about to fix that!*

*Huh?!*

Wha...*Mom?! Wh ...*  
*what are you doing?*

What do *you* think  
*I'm doing?*

*No! Stop ...you*

*Can't I?*

*\*suck suck\**

Didn't I *tell* you to  
*listen* to your sister?!  
And what do I *find*?!  
You.... *torturing* her!!

I ...I took care of her ...

Owwwwwww ...

**\*WHAP\***

A 3D rendered scene depicting a disciplinary interaction. A woman with short blonde hair, wearing a white lace-trimmed top, stands behind a black couch. She holds a wooden paddle decorated with red hearts and the text 'Mr. Pank'. She is spanking a young girl with long red hair tied in a high ponytail. The girl, wearing a green bikini top, is lying on her stomach on the couch, looking distressed with her mouth open as if crying or shouting. The background shows a simple room with a grey wall and a window looking out onto a green field.

She is *terrified* of you!  
That tells me *all* I need to  
know! Spanking a toddler?  
Are you *insane*?

Ow! Mom...Mommy *no...*  
*nooooooooo*. You can't! I ...I'm  
a *grown up* now! I'm *too big*  
to *spank*!

\*WHAP\*

Owwww  
ww ...

You're *a child* ... just a *little girl*, no matter *how you look*. You *proved that* when you chose to play *baby sitter* instead of aging your sister back, which you never even *tried* to do! *Did you?*

...no ...please ...
