It's *okay* Mom. I'll watch Lexi. *Please* just get back from work before Steven comes for our date.

I know you've just started *summer vacation*, Dear, but since *the divorce* things have been *tight* and...

*Rebecca! I told you already!  
I don't want to be called Lexi  
anymore! That's a kid's  
name! It's Alexis now! An' I  
don't NEED a babysitter! I  
can take care of myself.  
Daddy says I'm very mature.*

Sweetheart, you're still just a *little girl* ...and your *father* doesn't live here anymore. *Rebecca* is in charge while I'm gone.

But Mommmmm.

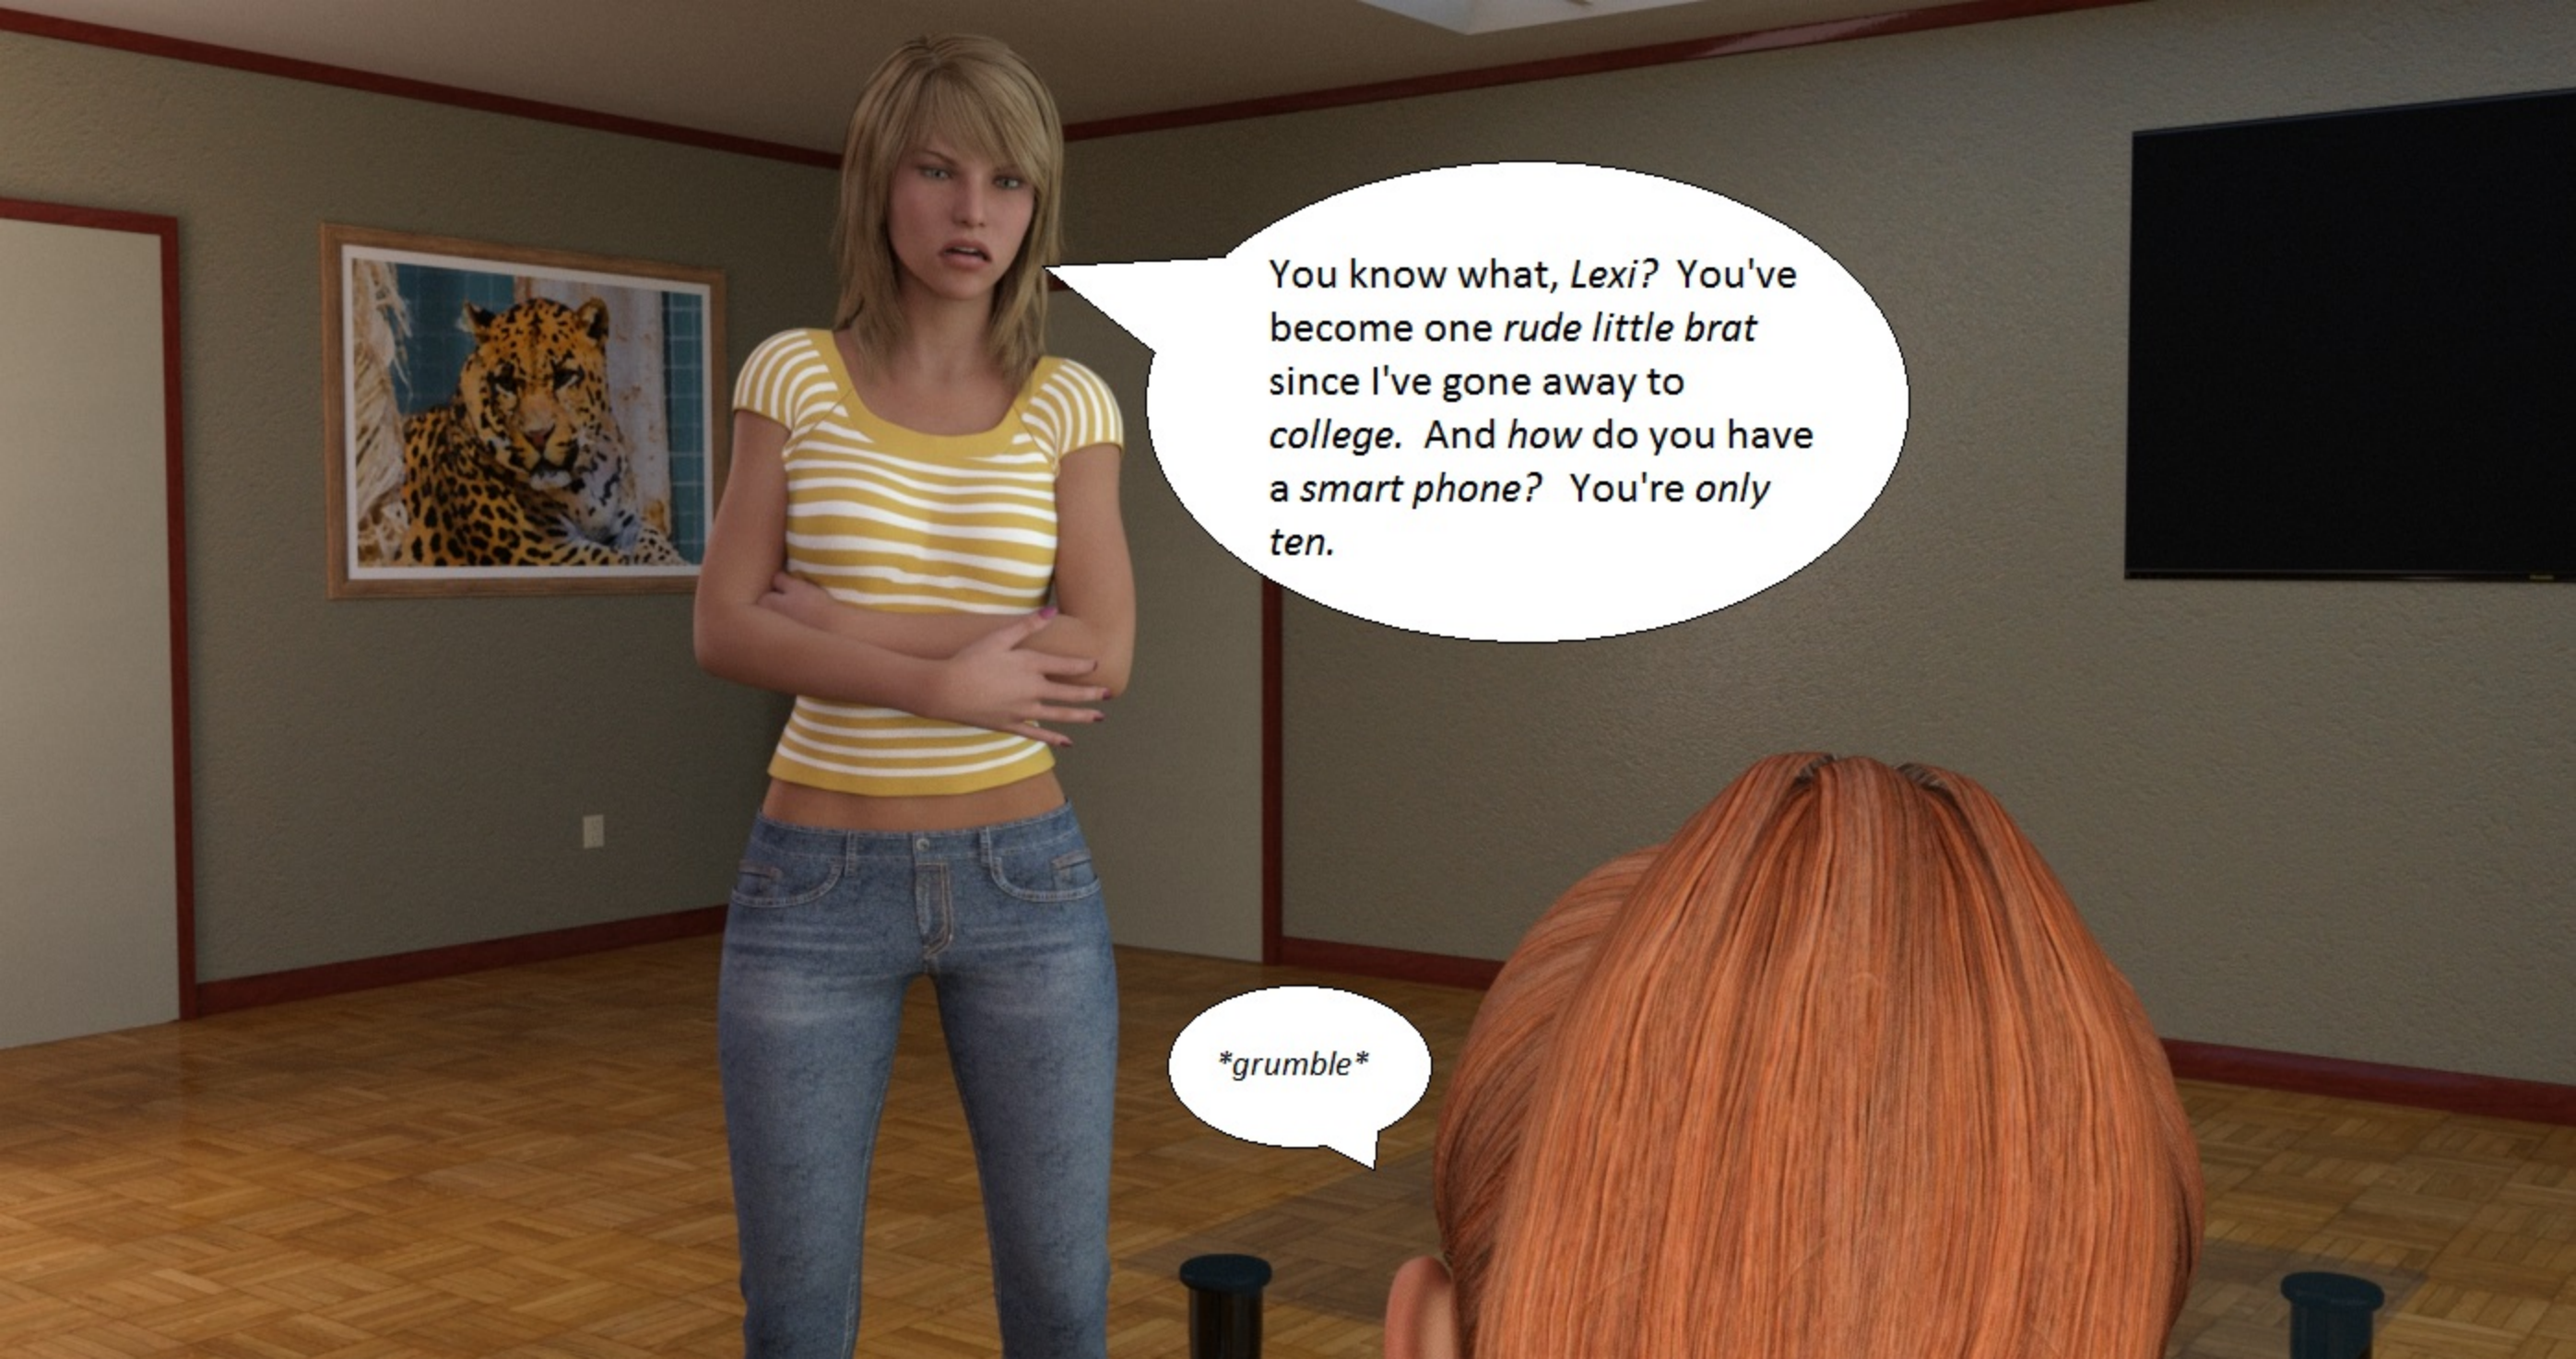

No *buts*, unless you want a *sore one* little Miss. Now you *be good* for Rebecca while I'm gone. Bye girls.

Bye ...

A 3D-rendered scene of a room. A woman with blonde hair, wearing a yellow and white striped crop top and blue jeans, stands with her arms crossed, looking down at a child. The child has long, wavy reddish-brown hair and is seen from the back, sitting on the floor. The room has light-colored walls with a dark wood baseboard, a wooden parquet floor, a framed picture of a leopard on the wall, and a large black television mounted on the right wall.

You know what, *Lexi*? You've become one *rude little brat* since I've gone away to *college*. And *how* do you have a *smart phone*? You're *only* *ten*.

*\*grumble\**

*Aaaaaah!*

*Daddy gave it to me.  
Maybe he doesn't love  
you as much! Nyaah  
nyaah!*

Yeah ...brat  
is right!

Hey ...what's *that* thing stickin' out of *Rebecca's bag*?

Wouldn't *kill you* to be a little *polite*...

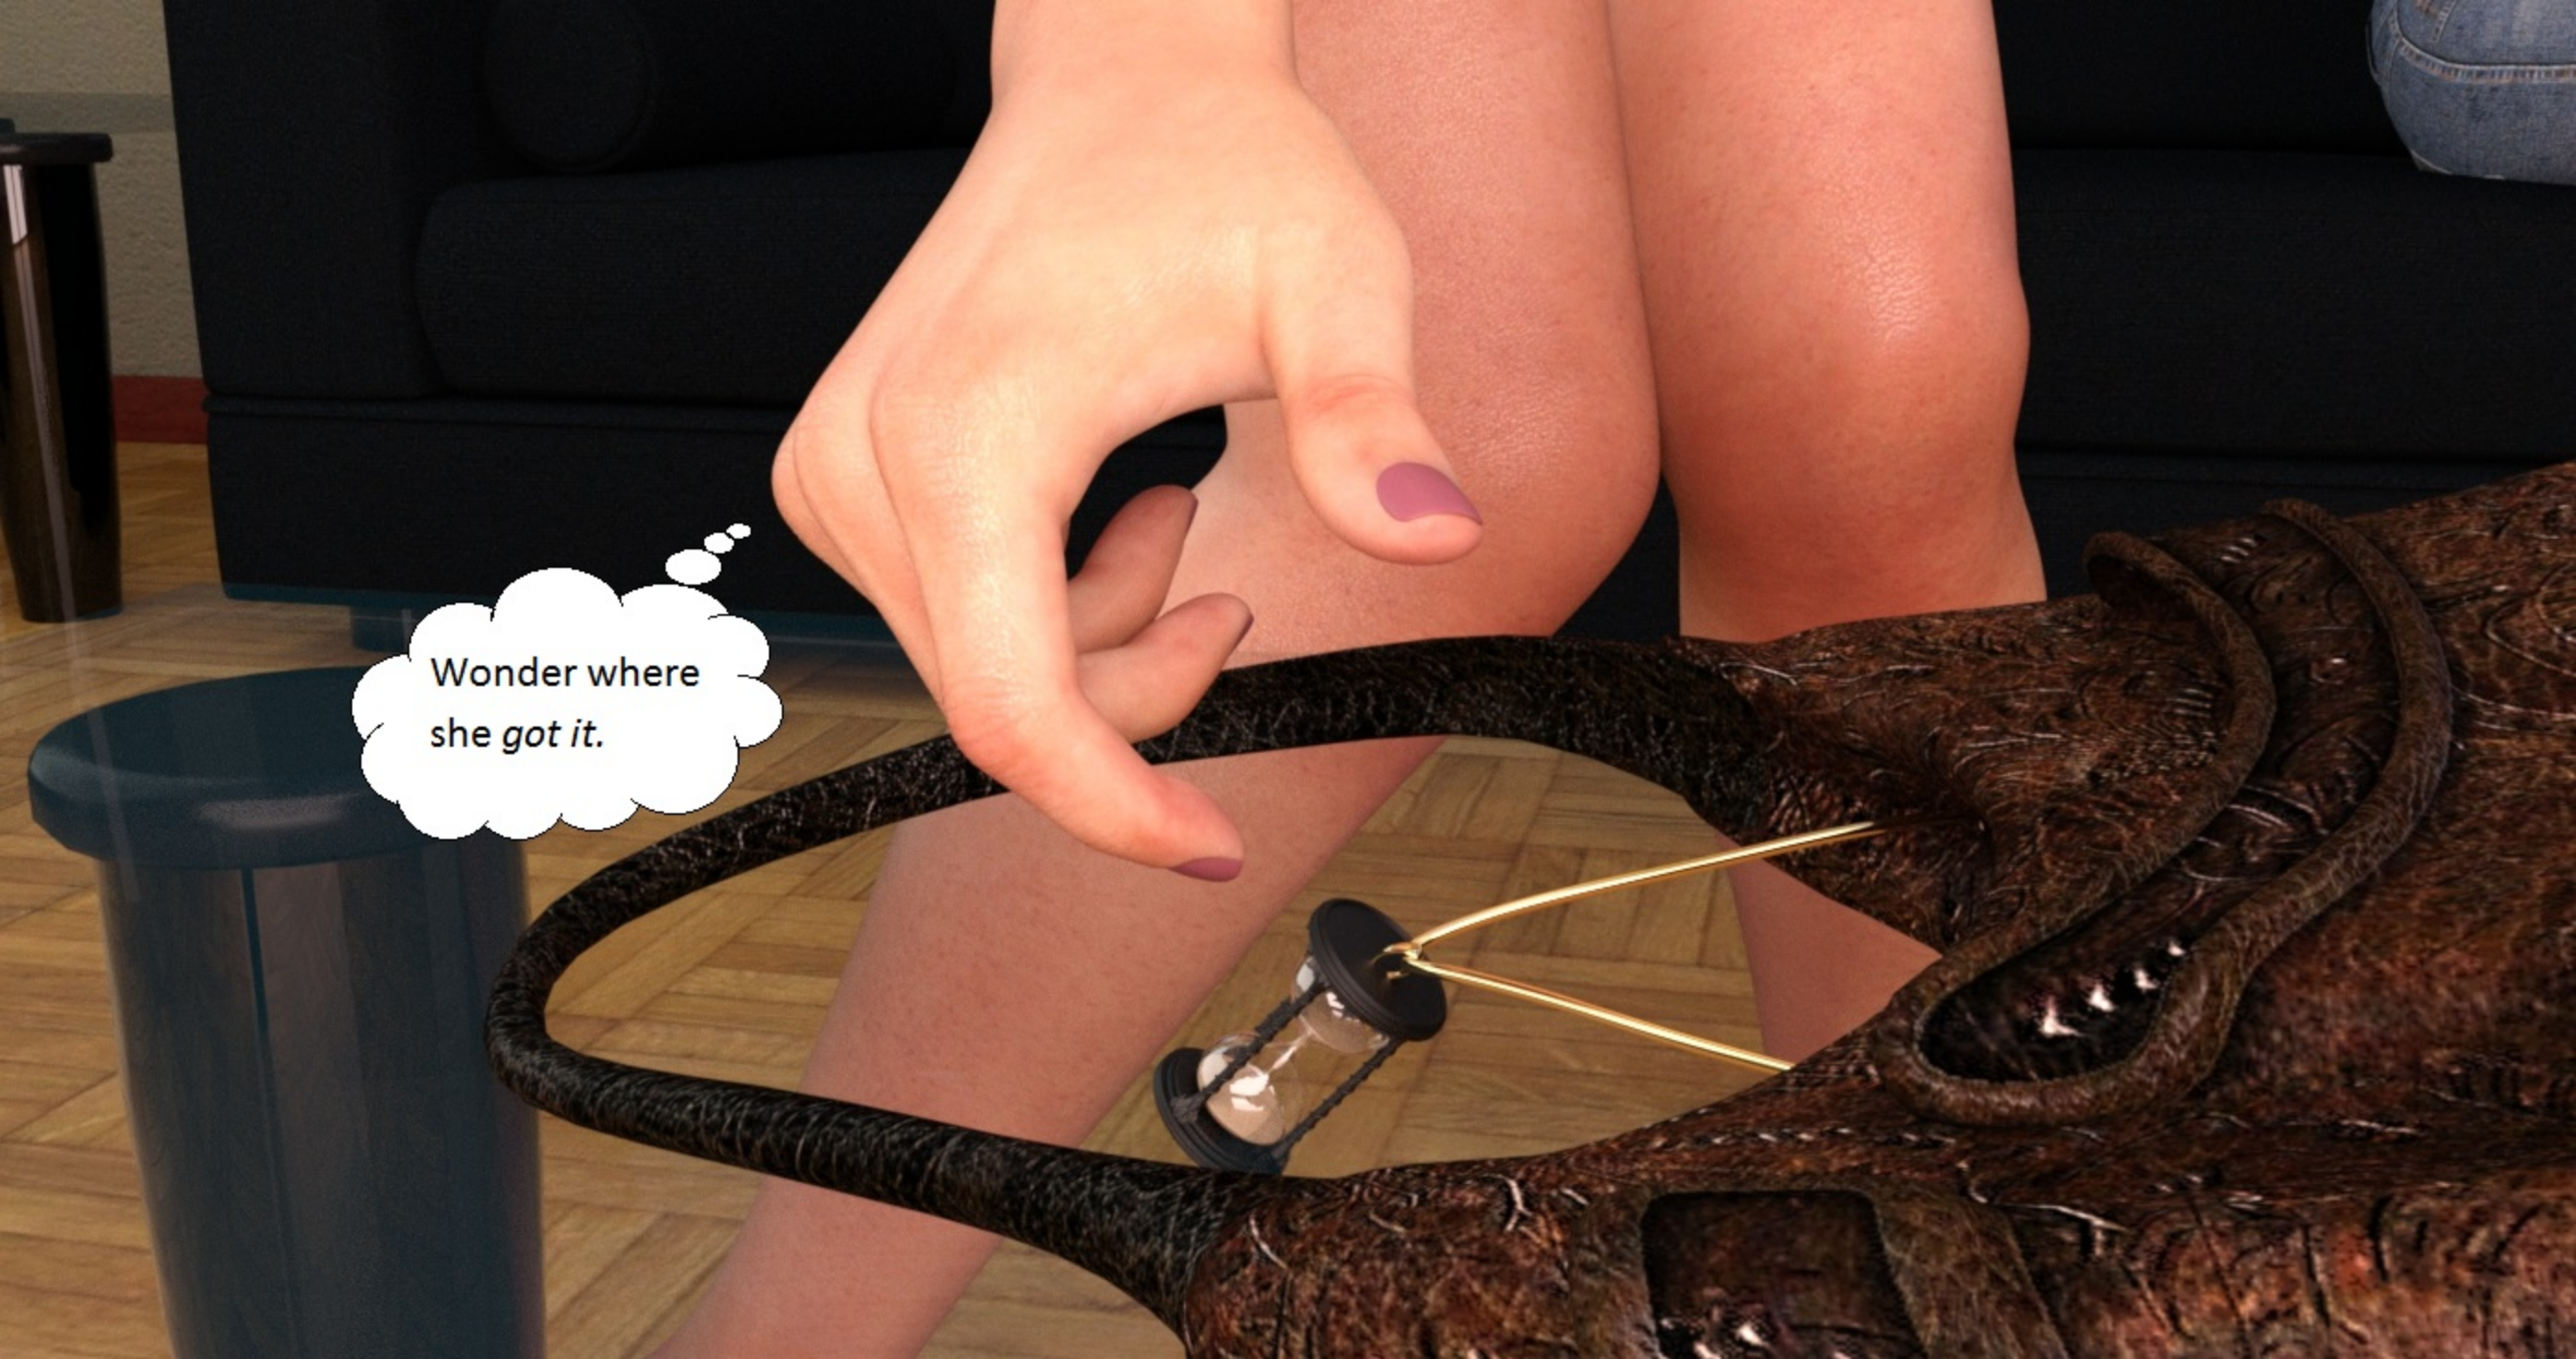

Never saw  
*it* before.

...it's not like babysitting  
*you* is *my idea* of a good  
time ...

A close-up shot of a person's hand with purple nail polish reaching towards a small, ornate hourglass resting on a wooden surface. The hourglass is positioned between two dark, curved, carved wooden elements. The background shows a dark sofa and a wooden floor.

Wonder where  
she *got* it.

*Hey ...what's this?*

*Lexi!!*

Careful! Don't touch other people's *things*!

But where did you *get it*?

If you *must* know  
we *found* it at the  
last *University* dig,  
but it isn't *valuable*.

It's just some *junk jewelry* so my professor let me *keep it*.

I woulda' been  
*careful!* You're such  
*a jerk* sometimes!

And you are *SUCH* a child *ALL* the time. Try to learn some *manners*.

Alright ...may I see it  
please, Rebecca?

*I'll be careful ...*

A woman is shown from the waist down, wearing a bright yellow one-piece swimsuit and blue denim jeans. She is standing in a living room. Her right hand is resting on her hip. In the background, there is a glass coffee table with a red ball on it, a framed picture of a leopard on the wall, and a dark sofa on the left. A speech bubble is positioned near the top right of the image.

*...I promise.  
Please?*

Ok ...since you  
asked *nicely* ...

Ooooh ...  
it's pretty ...

Yes, I ...

...pretty wet!

Chhhh ...tui!

*Why you disrespectful  
little brat! Give me  
that!*

*Hahaha ...  
nuh uh!*

*\*smack\**

Ow!

Ow! You *big bully!*  
I was just having a  
little *fun!*

You can be  
*so bossy.*

Well I am *bigger*, and *more mature*, so I am the boss. Now hand it over little Missy!

*You're no  
fun at all!*

*Lexi ...*

Y'know what I  
*wish* sometimes?  
I wish ...

...that *you* were *my* little  
sister, like my friend  
*Kelli's*, instead of a *big*,  
*stupid*, *bossy* one.

Then *I'd*  
show you!!

\*Zzzzzzz...\*
