

Keeping Your Guard Up Complete Preview

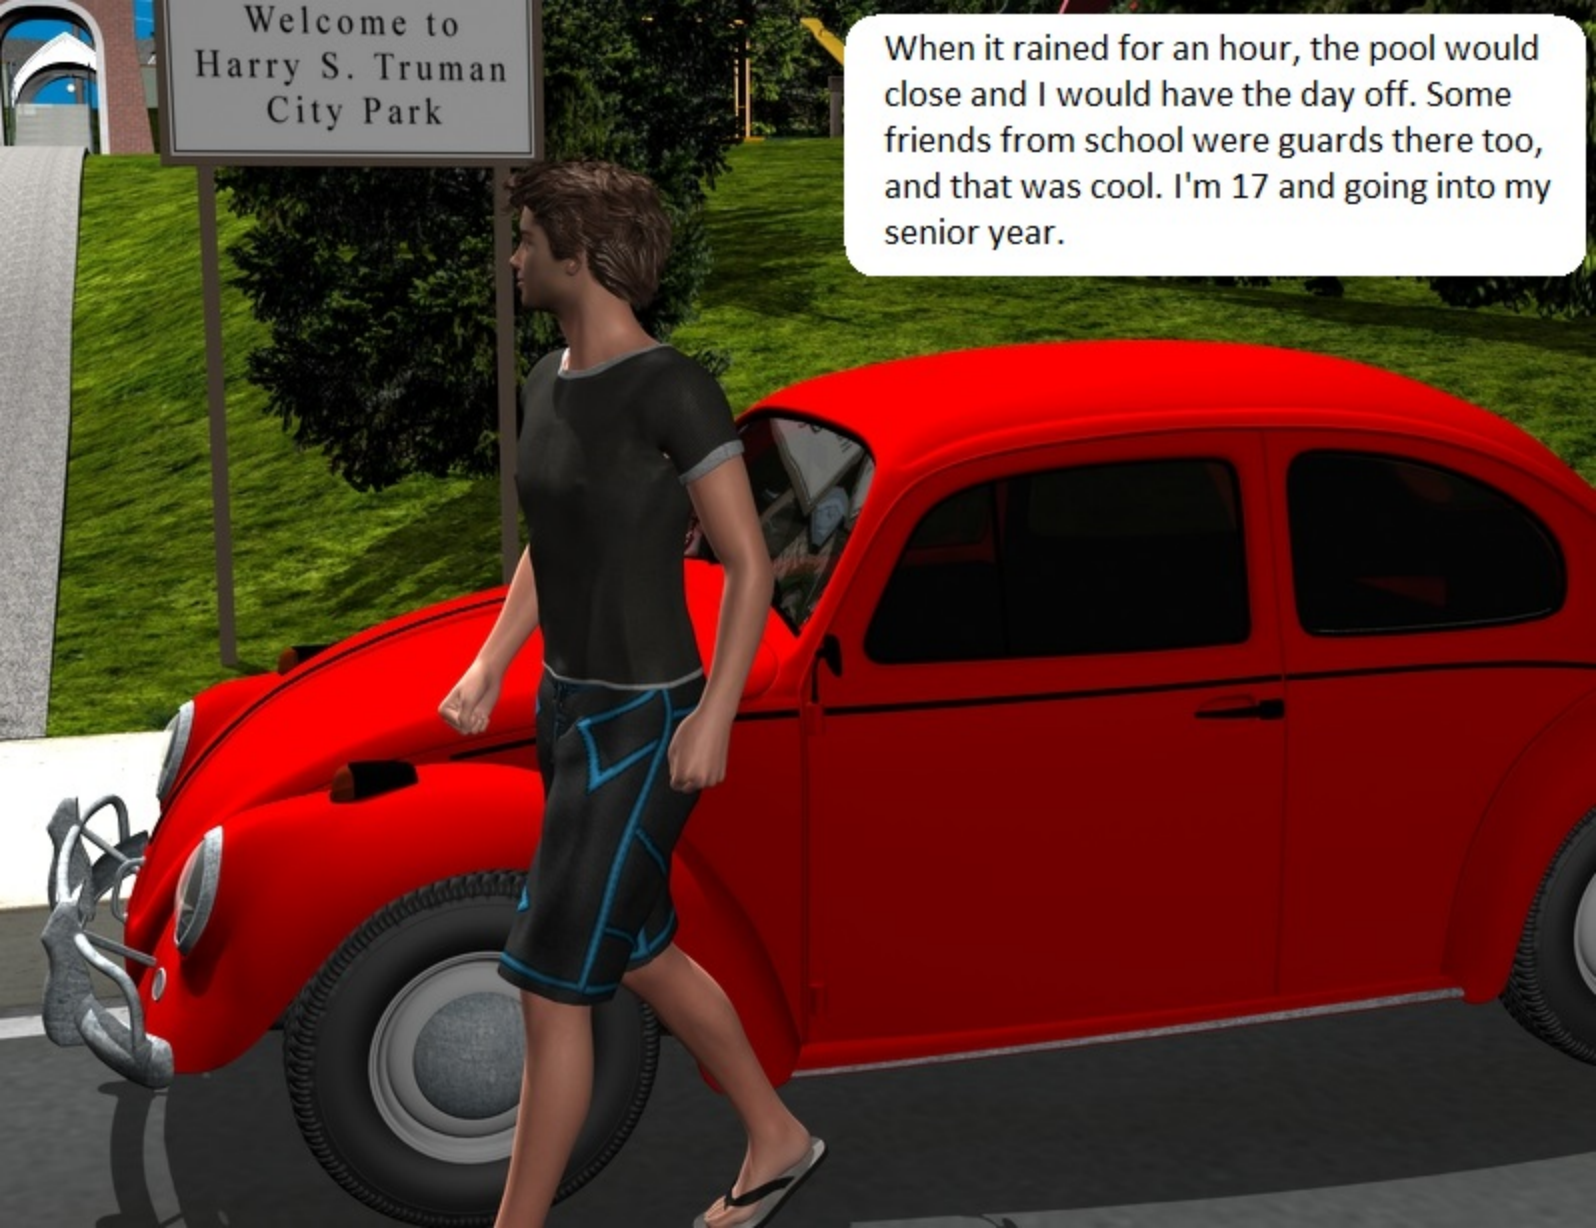

by Areg5

For the last few years, I've spent summers as a lifeguard at the community pool at the park.

The pay was ok, and it was a pretty relaxing job. Never even came close to having to save anyone, and the hours were pretty good.

Welcome to
Harry S. Truman
City Park

When it rained for an hour, the pool would close and I would have the day off. Some friends from school were guards there too, and that was cool. I'm 17 and going into my senior year.

I have had a girlfriend for the last 2 years, and she's really nice. Lately some of the steam has been going out of our relationship, but we still have pretty regular sex.

Her name is Cindy, and she's about 5'2, and has brown hair and blue eyes, and a really sweet little body. She did cheerleading for a while but then blew it off, I guess she was tired of being a 'rah rah' as she called it.

One of the good things about being a lifeguard is that you can do it stoned, and we had lots of practice at that. One of the other good things is that Cindy could just hang out there with me, catch some rays, swim, and she didn't need a membership.

I guess in *theory* lifeguards meet lots of girls, but you have to remember that this pool wasn't at a resort, or the beach. It was at some park. It was mostly *older people* and *little kids*.

It also had an open membership, and anyone could join. And on the weekend, sometimes a granddaughter or two might show up but in general pickins were slim.

One of the other lifeguards is a cute 15 year old named Chris.

Yum!

Hey, Chris!

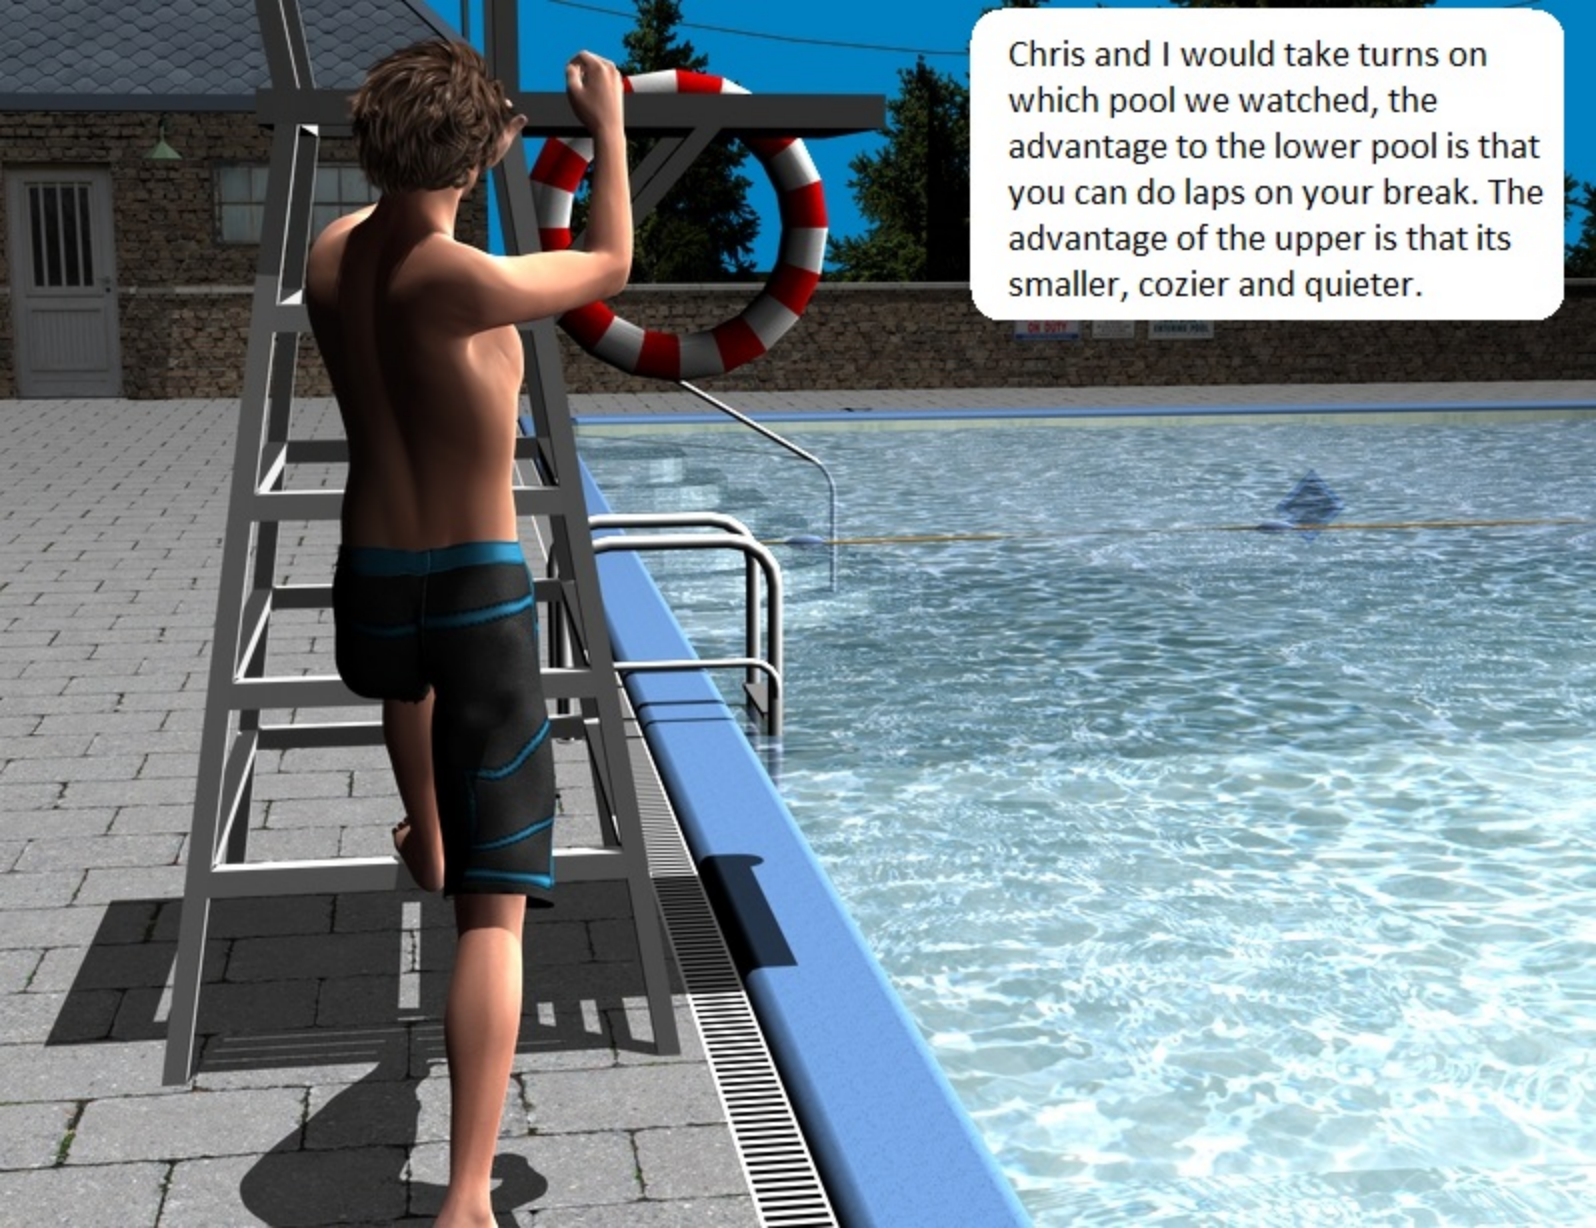

Hi Greg. I'm just finishing up here.

Cool. Did you do the filters yet?

Uh huh.

There were two pools, the lower which is olympic size, and the upper which is smaller and newer.

Chris and I would take turns on which pool we watched, the advantage to the lower pool is that you can do laps on your break. The advantage of the upper is that its smaller, cozier and quieter.

Like I said, Cindy and I had been sort of winding down, and we had talked about seeing other people but that as of yet hadn't materialized. I was looking for diversion however, so if a cutie showed up at the pool, it's not like I necessarily went all out for her, but I was ever open to possibilities.

Hmm...what have we here?

There were these kids that started coming to the pool, a guy about my age and this ultra hot girl who looked to be about the same.

Kelly and Craig ...that lucky stiff!

A 3D rendered scene of a man and a woman walking on a grey stone patio. The man is on the left, shirtless and wearing black patterned shorts. The woman is on the right, wearing a red one-piece swimsuit with a fishnet pattern. They are walking towards the right. In the background, there is a green lawn, a brick building, and a patio set with a table and chairs. A thought bubble is above the woman's head.

How does *that* guy get
such a smokin' hot girl?
Kelly, you don't know
what you're missing!

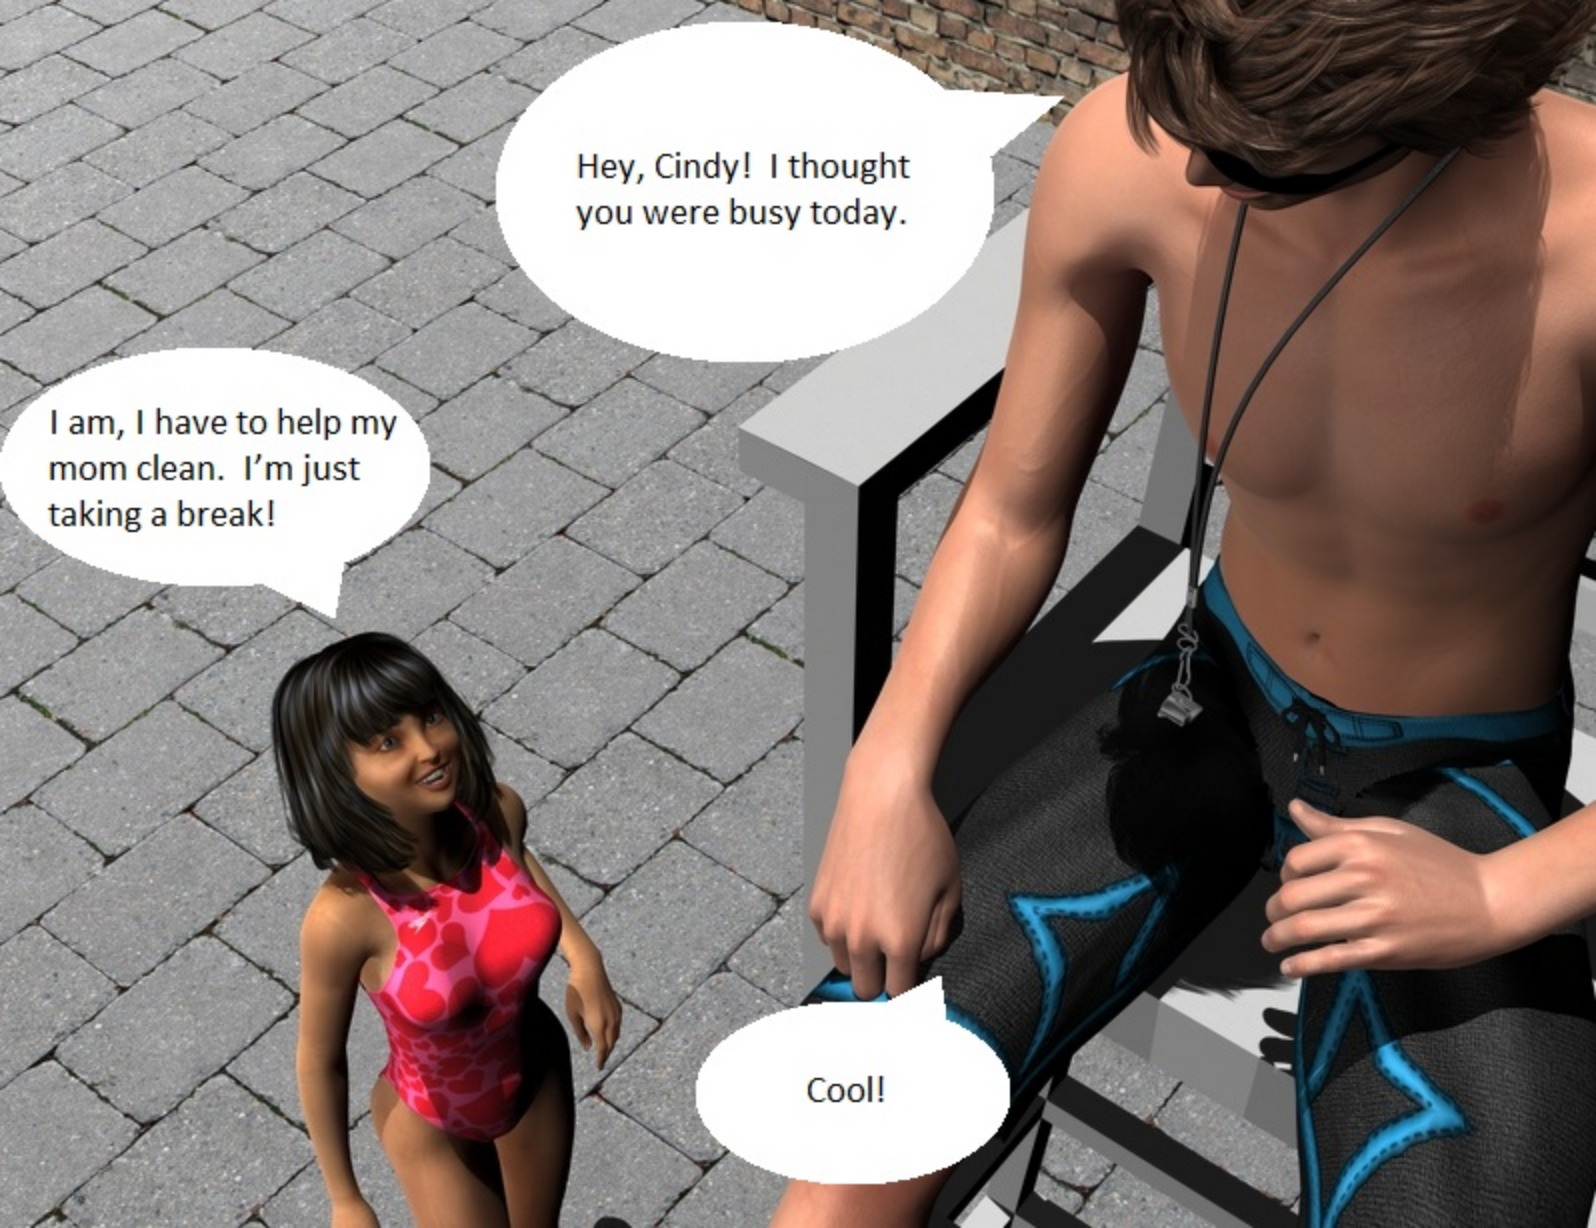

Hey, is she
eyeballing me?

I obviously don't act on any impulses when Cindy's *here*, but if she's *not* all bets are *off*.

Right back at ya, babe!

Hi Greg!

Hey, Cindy! I thought
you were busy today.

I am, I have to help my
mom clean. I'm just
taking a break!

Cool!

I hope you don't mind
me stopping bye.

I love it when
you're here!

You're not
too busy?

Oh, yeah. Saving
lots of lives!

Wanna go to our
private pool?

Giggle Sure!

I'll take the upper.

'k. Hi Cindy.

Hi.

I don't think that girl likes me.

Huh? Why do you say that?

I dunno. Just a feeling. Maybe she wants you for herself. *giggle*

Trust me, she
doesn't.

If you say so.

She just has to work
harder when you visit,
because I disappear up
here with you. That's
all.

I don't want to
make her mad.

Don't sweat it. I'm the
senior guard. I get to
pick the assignments.

Is that all I am to you?
An *assignment*?

You? You're my
incredibly sexy *little*
girlfriend.

Little? I'm
not little!

Yes you are. It's time
for your *swimming*
lesson, little girl.

giggle My
mommy doesn't let
me go swimming
alone. **giggle**

I'll *take care*
of you.

You *are* a little girl now, aren't you?

Uh huh ...

I thought so.
How old are you?

I'm only 11.

Awww...

My parents are going out tonight. I might need a *babysitter*!
giggle

kiss I'll be by after work, little one.

I better get going. Wish I didn't have to.

Guess I better
get back to
work.

Ha ha. Yeah.
"Work!"

Hey, someone has to
do it! Might as well be
me.

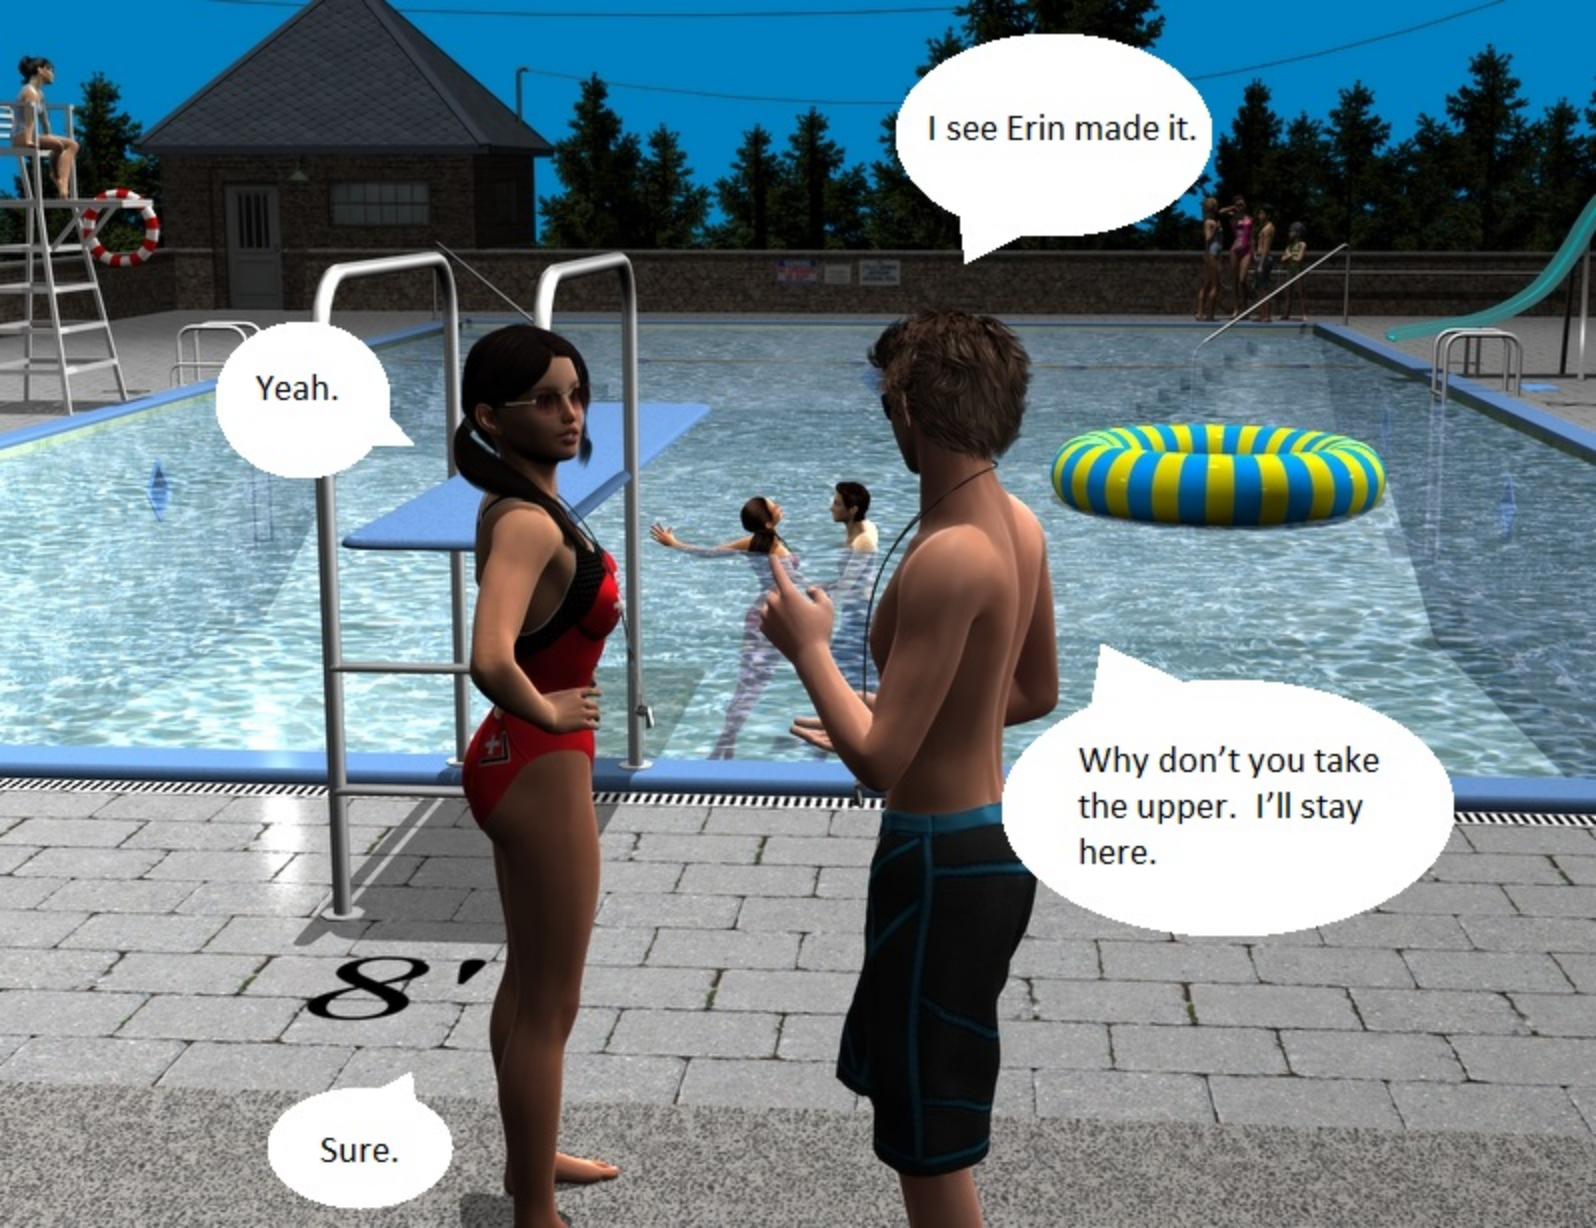

Don't "work" too
hard, Sweetie!

Hey, it's really
hoppin' here.

Yeah, it got
pretty crowded.

So I see.

I see Erin made it.

Yeah.

Why don't you take the upper. I'll stay here.

Sure.

A small figure of another person is visible in the distance on the left.

She's cute! A little too young, though.

Is that a *new lifeguard*?
I don't recognize her.
Wonder why she's
coming down on that
little girl.

Hi Greg.
