After-Hunt Party

When teams are finished we will all meet at

_____ : _____
we will eat and view photos and other items at

you are going to be given a list of items to collect or take photos/videos of. For some of the things on the list you will have to answer a question or riddle before you can find them. All items can be found in the mall.

Have Fun But Don't Run :

Do not run down the mall hallways, or run in any of the stores. Although you are all well behaved, you may still have a security guard come up to you to ask what's going on. If a security guard comes up to ask what's going on, make sure you stop and explain what you doing, not run away. An adult will be with your group so if this happens we will be there to explain but just in case do the above mentioned.

Respect:

Be polite, and show your respect for the store and its employees. Treat store clerks with respect. If you move an item off a shelf or a rack, carefully put it back where you found it. If a person says no, players should respect their answer, not be rude, then try somebody else.

Get Real: Don't Steal

I know that all of you know this and it might be obvious, but it's worth mentioning anyway. Some of the list ideas require players to collect FREE items and some involve performing tasks or taking photos of items but let us emphasize that none of the items should be stolen.

Photos & List & Points:

Some items on the list will require taking a picture on someone's cell phone. Make sure to include at least one team member in each of the photos you take. Only use one cell phone or camera to take photos. Have one team member check off each item you find from the list. The team earning the most points from the scavenger hunt list wins the game! Have fun, play fair! Remember, it's just a game!

Meeting Time and Place:

Every team will meet by _____ at ____:____. If you lose the rest of your group before the meeting time, call or head to the meeting place. If your team is late, 5 points will be deducted from your team pts.
