

# EF Etiflex® GHS SECONDARY TAGS FOR EVERY APPLICATION

Offers Many Unique Advantages  
Over Printed & Metal Labels

Etiflex brand labels are used by some of the  
most demanding customers and toughest  
environments around the world!

## Etiflex Patented GHS Secondary tags

were specifically designed for use with containers of lubricants, cleaning solvents, and other harsh chemicals that dissolve the ink or adhesives on Typical GHS labels rendering them unusable

**Etiflex GHS Secondary Tags** fasten to the handle and remain readable and in place for the life of the container. These tags are made with our proprietary material and use a patented marking system to permanently mark the tags. This combined with the unique fastening system, insures the tags remain readable and will stay with the container.

**PATENTED - DURABLE - FLEXIBLE - EASY TO READ**
