

Etiflex[®] MAKES METAL TAGS OBSOLETE!

Sling tags, warning, instruction, and inspection labels

- EF Exclusive matte finish with contrasting colors is easy to read in all weather, day & night, even underwater and with remote cameras.
- EF In service date & inspection record can be permanently marked by the user after the sling is in service.
- EF The tag can also be the color code - Any color possible.
- EF Raised letters for permanent information for the warning & ratings.
- EF Can be engraved with custom information.
- EF Patented RFID technology available
- EF DURABLE - designed for outdoor, harsh, & hazardous environments.
- EF Helps prevent accidents with easy to read Info and NO SPARK material.
- EF Soft flexible design helps prevent injuries & damage to other materials or components.
- EF Patented Marking System is interactive and displays inspection record on the tag. Can also be updated while tag is installed.

Etiflex[®]

MOLDED TAGS

**FINALLY, PRODUCT IDENTIFICATION
THAT WILL LAST LONGER AND
LOOK GOOD TOO!**
