BRIEFING NOTES:

- NO overtaking on corners;
- NO racing allowed;
- NO cutting off others on corners;
- NO burnouts;
- NO tailgating;
- NO forcing an inside line;
- NO stopping on circuit – practice starts not allowed;
- If passing a slower vehicle, do so on the STRAIGHT sections;
- Speed limit in pit lane not to exceed 40km per hour;
- Speed limit in paddock is 5km per hour.

APPAREL:

Non-flammable, wrist to ankle clothing must be worn. Footwear must be enclosed and cover the foot completely. Participants must wear a helmet which meets Australian Standards.

VEHICLE BREAKDOWN ON THE CIRCUIT:

Check that you can move the vehicle off the track safely, by looking behind for approaching vehicles. Keep vehicle straight until it is safe to move off line and onto the track verge. It is preferred, but not always possible to move the vehicle to the inside of the track or inside of the corner. When it is safe, exit the vehicle and move to safety. If possible, move behind a concrete wall, or tyre fence. The rescue and recovery team will respond to recover you and your vehicle.

ACCIDENTS:

Do not stop, move through the scene and return to the pit. Do not remove or move another person's helmet or safety attire. DO NOT TOUCH any person involved in an accident, especially if he/she is unconscious.

VEHICLE RECOVERY:

We will recover all vehicles from the circuit. You should remain near your machine, but behind the safety barrier.

FLAGS & LIGHTS:

RED: Finish of session: You must reduce your speed, STRICTLY NO OVERTAKING. Complete your lap and return to pit lane.

YELLOW: CAUTION is to be observed, track marshals will indicate obstructed area. NO OVERTAKING IN OBSTRUCTED AREA. Slow until you pass the green light.

BREACH OF THESE RULES WILL RESULT IN YOU BEING ASKED TO LEAVE THE CIRCUIT.
