

SHILOH'S INITIATIVE IS **Reaching**
Exceptional

Dreams

Reading is one of the basic skills every child needs to become a successful student, as well as a success in later life. In keeping with our vision of connecting with our community, Shiloh is implementing a “**READ**” initiative which will benefit children in the community, and is a step toward fulfilling our vision.

This program is designed for children aged 8 to 14 who are experiencing difficulties in reading and focuses on the essentials of reading. At the start of the program, children will complete a short reading assignment that matches them to the best level for their ability. Each child will then progress at his/her own pace.

The start date is October 24th and runs to December 12th, 2019. Classes will be every Thursday from 5-7pm and is free to anyone wishing to attend. Registration is October 24th and parents are asked to be present. The program will resume on January 16, 2020.

We welcome anyone interested in volunteering as tutors, as well as, students who need to earn community hours.
