Fluid

Bold Aesthetic and Unique Profile.

FLUID is a workpoint system by ThinkingWorks. FLUID forms collaborative workbenches, desks and tables with a bold aesthetic and unique leg profile, making it stand out from a traditional bench-style workpoint. Each workspace can be configured with storage, power and screen accessories to suit the individual worker's needs. Touch down desks can be integrated into workbench design for mobile workers.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the ThinkingWorks website to get a full overview of our sustainability program.
