## Can You Identify These People?

This picture is from the corner store in Blawenburg in the 1950s or 60s when it was a general store. Do you know who these people are? If so, comment below or send an email to [blawenburgtales@gmail.com](mailto:blawenburgtales@gmail.com). Any information is appreciated, and it will help with our blogs about the stores in Blawenburg in April.

I recall that pix hanging in B-burg Cafe. I'm pretty sure those are the Musselmans and possibly George Gallup? Jenny Hartshorne might know. I'll try to forward/ask.

Mar 16Jenny confirms that's George Gallup, but says the owners were prior to the Musselmans. The only previous owners I am aware of were Van Zandts and Strykers.
