

Thanks to all who auditioned. This was the most difficult show in our experience so far to cast. What a wealth of talent! Various solos/speaking parts, dancing roles will be delegated during the rehearsal process. This show has 7 ensemble numbers. There will be plenty to do.

Understudies were chosen and assigned to those who marked their papers showing interest. For those cast, please volunteer for tech crew. Please remember the theme of this year is: TO CREATE OPPORTUNITIES! Join Midsummer and/or help us determine our Spring Show. It's up to you!
