INCLUSIVE CITIES MOVEMENT: Towards a Local Inclusion for Migrants and Refugees Action Tool (LIAT)

13 November 2019 (10:30 – 12:00),
Durban International Convention (Room 2E)

What does it take to be an inclusive city for migrants and refugees?

.....

This session contributes to demonstrate the critical role of local level buy in and mayoral commitment for including both migrants and refugees. As cities' engagement in this policy areas is galvanized through the call to action and draft roadmap developed by the Mayors Mechanism (UCLG, Mayors Migration Council and IOM), this session discusses cities priorities for migrant and refugee inclusion, proposes tools to improve and show progress across different dimensions of inclusion –such as the Local Inclusion Action Tool (LIAT) and identifies how multi-agencies international initiatives can gather critical support and information to cities.

1 Capacity building, peer to peer & support to cities

2 Call to action from Mayors Mechanism

3 Which international standards & indicators for inclusive cities exist?
