

VOTING ACCESSIBILITY

EVERYTHING YOU NEED TO KNOW
BEFORE CASTING YOUR VOTE

Need to register to vote or update your information?
Want to be a poll volunteer for upcoming elections?
Have any questions about the new voting system?

The Alameda Registrar of Voters will be at the Ed Roberts Campus to assist you. Plus, test the accessible voting machine which features an audio tactile interface device for individuals who may be hard of hearing or visually impaired. You can also connect your own sip and puff device if needed.
