Under 16s:

Luke Edwards, Cooper Horsnell & Kaine Baldwin – All at Glenelg.

In fact Kaine Baldwin is the Captain

Congrats & Good Luck to all players!

LEADING EDGE PHYSICAL THERAPY

So it was halfway through the first quarter and you're playing a great game. You've already had 10 possessions and have put two goals on the the scoreboard for your team.

Then, during a contest you're opponent lands on you, driving there knee into the front of your thigh! As you stand up, you struggle to put weight through your leg and your helped off the field by the team trainer. You have been told that you have got a corked thigh, contusion or a 'corkie'.

SO WHAT DO YOU DO NOW?

During The Game:

It will depend on the severity of the contusion as to whether you will be able to continue playing. According to Sports Medicine Australia there are three grades of corkie. With a grade one or two contusion you may be able to continue playing. Some things that may help are:

- **Applying compression** – ask your sports trainer or club physiotherapist to provide you with some tubigrip or to strap the thigh up with some compression bandage. You may also benefit from having them place some padding over the area to prevent it from being re-injured.
- **Keep moving!** – to prevent it from getting stiff you will benefit from keeping the thigh moving. Jump on the stationary bike and lightly pedal or walk up and down the sidelines.
- **DON'T Massage it or use Heat** – You may think that this is a good idea at this stage but massage will only increase blood flow to the area which will increase bleeding.

Post – Game Management:

Corkies are not a fun injury. If you sustain a grade three contusion it can prevent some people from returning to play for a minimum of up to 8 weeks! That's nearly half a season!

There is also the risk after a quadriceps contusion of developing **myositis ossificans** which is where the contusion calcifies forming bone in your muscle. There are some great steps that you can take to limit your time off the field and improve your recovery.

- **ICE!** – the most important thing you can do post match for your corkie! Ice will restrict blood flow to the area thus limiting bleeding. When we say ice we mean more than once after the game! You should be looking to ice the contusion for 15-20 minutes every hour for the next 48 hours with the first 24 hours being the most critical period. Ensure there is a towel or paper towel between your skin and the ice to prevent damage to your skin.
- **Compression** – Ask the trainer for some tubigrip after the game or if this isn't available put on your compression tights. Compression allows increased venous return of the blood which will help with bleeding.
- **Elevation** – Keep the leg up as much as possible- this too will help with blood return away from the site of the contusion.
- **Alcohol** – Stay off of the beers! Although tempting, alcohol causes an increase in blood-flow to the area and consequently more bleeding to the corkie site. Have a softie instead! This may be the difference between you playing or not playing the next week.
- **Don't 'massage' a corkie out** – Although massage can be beneficial it shouldn't be started until at least 72 hours post injury. Ensure that the massage isn't too vigorous as this can increase the risk of the re-bleeding or the contusion calcifying.
- **Speak to a Physio** – Physios are well trained in assessing and managing this type of presentation. They can provide you with the correct treatment and exercises to ensure you spend as little time off the field as possible and are fit when you return. With a thorough examination they are also able to determine if further assessment or investigations are warranted and refer you on to the correct medical professionals.

Henley Sharks players sustaining a "Corkie" can talk to our physio *Nic Brown* at training on Tuesdays, or attend our Monday night injury clinic at our Western Hospital rooms (ph 8159 1300) from 5pm on a Monday to get your "Corkie" assessed and a management plan put in place.

A GRADE MATCH REPORT

JARRAD PARKER ROUND 9 V PORT DISTRICTS

HENLEY: 9.14-68
PORT DISTRICTS: 6.10-46

After a weekend away to refresh, the players came back with a real focus on the Port Districts game knowing how important a win was for our season. With the conditions being true to a winter sport, our mantra for the day was simple; to outwork our opposition.

From the very first bounce you could see we were all on the same page as Harris Jessen got the tap down to Corey Gray who found Jack Enright on the run to get the first of many forward 50 entries.

These three names would figure prominently throughout the game, along with James Lean, as we showed we were hungrier for the football and willing to move it forward at all costs. We got an early goal through Jackson Smith then squandered some chances before getting a couple of late goals which rewarded our effort and first use of the breeze. Brad Geddes was a welcome return to the team as he got plenty of the football across the middle and showed he hasn't missed a beat with his time off.

The second quarter into the strong breeze was always going to be a defensive challenge but it saw us create a few chances of our own. It was a real breakout game for Jackson Smith as he was grabbing hold of the opportunity to be our key forward, his work rate across the ground and clean hands were allowing us to move the ball through him with confidence. What was most pleasing was our ability to stick to our plan. On the back of the steady heads of Jeremy Johncock, Brad Geddes and Travis Lane we were able to control the ball for the first 10 minutes of the quarter, but when the chance arose moved the ball quickly which created opportunities and resulted in a Jamie Grosser goal from the goal square.

During the quarter Pt Districts unfortunately incurred a couple of serious injuries and we wish their players well. The breaks in play that resulted from these stopped our momentum a little and when play resumed, within a 4 minute period we allowed them to get 2 quick goals and go into half time only 8 points behind.

Knowing there was some worse weather coming the third quarter was important to get some scoreboard pressure. Again our midfield got on top, but it was our ability to still use the football well in the conditions and take the game on which allowed us to get the ball out into space. Tom Thunig who is continuing to build nicely into the season was using his speed to create opportunities and was ably supported by Brock Kennedy playing his first A grade game for the year. We were getting an even contribution from our forwards as James Lean, Brett Ebert, Ben Lodge and Jackson Smith all hit the scoreboard and saw us go into three quarter time with a four goal lead.

I thought the last quarter was one of our better ones for the year. Kicking into what was at times horizontal rain, we were being intelligent with the football and playing the defensive side, but when we saw an opportunity we still took the game on. Harris Jessen was getting back some of that flair and confidence that made him such a dangerous player last year as he ran the ball through the middle with opposition players bouncing off of him and then kicking deep into our forward lines. Into the tough breeze we had more scoring shots than Port Districts and as we've done most weeks this year ran the game out well.

Next week we travel up to Modbury, they are yet to open their account for the year but that means at home they will be as hungry as ever, so we need to make sure we maintain this weeks form.

Goal Kickers: B. Ebert 2, J. Lean 2, J. Smith 2, C. Hicks, B. Lodge, J. Enright

Best Players: J. Enright, J. Smith, J. Lean, B. Geddes, H. Jessen, C. Gray

ROUND 10 V MODBURY

HENLEY: 16.18-114

MODBURY: 11.9-75

Even though Modbury have struggled this year it is never an easy road trip and our challenge was to bring the same intensity we had last week. Knowing what it has been like in the past we were pleasantly surprised by the good condition of the oval which was matched by the conditions on the day.

In Round 1 Modbury played with heavy numbers behind the football so we knew we needed to counter that by getting the ball out to space and moving the ball quickly. From the outset our mids continued on from where they left off last week and controlled the stoppages. We were being brave with the football out of the backlines, switching at every opportunity and using our runners on the outside. This produced clean forward movements which was highlighted by what has been dubbed the 'point of the year' as Tom Elfenbein ran down the wing with three bounces only to hit the goal post with his shot. James Lean, Travis Lane and Jack Enright seemed to be in everything as we dominated possession but felt at the break we hadn't taken all of our opportunities.

In the second we got off to another great start, Harris Jessen was controlling the stoppages but was doing the damage in open play, he would have had close to 10 running bounces for the day as he took on the opposition at every opportunity and kicked the ball deep into the forward lines. We welcomed back Ned Heath for his first game for the year and he was playing like he hadn't missed a beat plucking anything that came his way. Down back Mitch Goldner and Chris Schwarz were getting on top of their opponents with the support of Scott Berry. Brock Kennedy was lively on the wing and giving us plenty of run and as a team we were working really hard to run the football. However we were almost working too hard and running ourselves into the ground, a few turnovers hurt us the other way and as Modbury started winning the clearances it was again a 6 minute period that allowed them to kick 3 goals and stay in the game.

There was some frustration amongst ourselves at half time but we knew for the most part we were in control of the game, we just needed to clean up a few of our errors. Our first 5 scoring shots of the third quarter resulted in points which added to that frustration but when we finally got that goal the flood gates opened. The midfield were getting clean clearances and all of the forwards were getting in on the act. Jamie Grosser kicked a couple for the quarter, Jackson Smith was keeping up his good form and Brett Ebert was causing the defenders some headaches. But a running goal from Harris Jessen, only to be almost trumped by himself moments later were the highlights of the quarter. We kicked 8 goals 8 for the quarter and put the game out of question.

Unfortunately some injuries to Travis Lane and Ned Heath meant we played the last with 19 players and then no bench after we put Brett Ebert on ice halfway through. This took its toll as the players looked out of gas in the last. We still had plenty of scoring opportunities but got beaten over the back a few times by Modbury which allowed them to get a few consolation goals. Jack Enright and Mitch Goldner finished the game off strongly while our skipper for the day Corey Gray ran out a strong second half.

During the long weekend break we spoke about the importance of the next 3 games. We have now won two of them and go into the third with a lot of confidence. There are a few sore boys which may present some other players with an opportunity but we also look forward to getting our skipper Michael Gautesen back this week. With the evenness of the competition all games are important but a win this week can set our season up.

C GRADE MATCH REPORT

CHRIS BROWN

ROUND 9 V PORT DISTRICTS

HENLEY: 9.12-66

PORT DISTRICTS: 3.6-24

The C's took on Port Districts after two weeks off due to the long weekend bye and a bye against Tea Tree Gully who do not field a team in C1. Port Districts were sitting fourth but had won their last four games and had been in good form. Once again depth was being tested throughout the club but the story of this game was the return of both Stefan Jarman and Alex Newman to the playing ranks for Henley.

Port Districts kicked the first goal in blustery conditions but Henley then settled and at quarter time were up 2.3 to 1 goal. The second quarter was a dour affair and at half time the score board attendant needed a coffee with a score line of 3.5 to 1.2.

Port Districts were providing a real challenge. As a result the backline was required to stand up a little more than some other games this season and that's exactly what they did. The half back line of Gray, Haskard and Biddle were on top and providing great run and carry while the full back line of Thomas, Ryan Fry, Duessen and Shephard continued to repel the opposition. Newman moved from the mids to sure up the back line and the result was obvious and immediate with improved communication that lead to more efficient movement to the runner's upfield.

Once again the whole team contributed and individually won their positions. The mids of Bingham, Meiers, Jarman and Harley Egel were being well fed by Butterfield and Shephard and providing good service to the forwards despite the tough conditions.

After half time Henley started to really get on top and once again the fitness and speed of Jordan Kitto, Ashton, Cody Egel and Brad Carey amongst others began to show. The forwards became a little more efficient and at three quarter time had doubled their first half score to be 6.10 (Port Districts 2.4)

The last quarter continued as per the first three with tough but not always pretty football and Henley ran out winners 9.12 (66) to 3.6 (24)

Goal Scorers: Brad Carey 4, Cody Egel 2, Shayne Hoogmoed 1, Dylan Fry 1, Brandyn Galletti 1

Best Players: Ryan Fry, Luke Gray, Alex Newman, Nick Meiers, Jake Butterfield, Tom Bingham

ROUND 10 V MODBURY

HENLEY: 23.21-159
MODBURY: 1.1-7

The second half of the season kicked off with the C's taking on Modbury at Modbury. In 2017 the Modbury C's won 17 out of 18 games in the minor round and beat Adelaide University by 7 goals in the grand final to win the C1 competition. But that was last year. On Saturday they lost to Henley Sharks 23.21 (159) to 1.1 (7). Despite the score line Modbury seemed to enjoy their football and stayed united as a team.

Henley have some things to work on as they build towards the pointy end of the season but the pleasing thing is that despite the injuries and absences amongst the senior group, the depth of Henley is allowing the C's to continue to win and play good football. A highlight of this game was the debut of under 18 player Kane Godlevsky. He is a great example of the talented youth coming through the ranks at Henley and why all supporters should be optimistic about the future.

With a score line like that a quarter by quarter breakdown would be a snooze fest so this might be a good opportunity for some random C grade facts for the year to this point.

- The C's have used 49 players to this point.
- The top five goal kickers in the C's are:
 - 1)Bradley Carey39 (9 games)
 - 2)Shayne Hoogmoed10 (9 games)
 - 3)Matthew Pierson 9 (4 games)
 - 4)Brandyn Galletti9 (5 games)
 - 5)Harley Egel8 (8 games)
- Six players have played all 9 games so far (including the bye)
- Henley is the most attacking team with 1034 points for and the best defensive team with 224 points against.
- The closest most attacking team is Adelaide University with 700 points for and also the next best defensive team with 376 points against.
- Six players capable of also playing in the Under 18 team have played C grade football this year.
- Harley Egel has not grown
- Matthew Pierson has grown but is no taller

Goal Scorers: Brandyn Galletti 4, Brad Carey 3, Will Haskard 3, Harley Egel 3, Dylan Fry 3, Blake Deussen 2, Tom Shephard 1, Lachlan McDonald 1, Tom Howlett 1, Nick Meiers 1, Kane Godlevsky 1

Best Players: Jordan Kitto, Tom Bingham, Harley Egel, Ryan Fry, Blake Deussen, Brad Carey, Will Haskard, Gary Ashton, Jake Butterfield
