THANKS TO OUR ROUND 1 HOME MATCH SPONSORS **GAS WORKS FINDON & EADON HOME LOANS**

383 Grange Rd, Findon SA 5023
Phone: (08) 8235 2152

Gas Works Findon is owned by Zoe and Adam Roe. They have been part of the Gas Works group since 2000 and working in the industry since 1988. Their motivation for joining Gas Works was to expand the range of products they could offer from just air conditioners to include a range of heating, cooking and outdoor appliances and ensure they were busy all year round rather than just summer.

Gas Works Findon specialise in [air conditioning solutions](#), [barbecues](#) of all shapes and sizes, built-in and free standing, [gorgeous gas log fires](#), [outdoor heating](#) and plenty more. They are qualified builders and are known for their [quality installations](#), which perfectly complements the attention to detail you will find in their customer service. Not only all of this but Gas Works Findon can help you with all your [servicing and maintenance](#) needs.

The team at Gas Works have their favourite products too, they know if you are looking for a heating or cooling solution then Seeley products are the way to go. If you want to know more about Seeley's range of brands, such as, Breezair, Braemar and Coolair, then pop into our store for the full run down. The team at Findon are also fans of aesthetically pleasing [Escea](#), [Rinnai](#) and [Regency gas fires](#). Which are not only beautiful but efficient too. They also love to sell a good [Weber Q](#) because nothing beats the satisfaction their customers get from the perfect BBQ or a night relaxing in front of a crackling fire (with no need to stoke it!).

What, you ask, makes the team at Gas Works Findon tick? They love seeing the end result through start to finish. Nothing beats the feeling of a customer coming back into the shop because they enjoyed the previous experience so much.

Don't miss your chance for exceptional customer service so visit Gas Works Findon today or call their friendly staff on 8235 2152.

CONGRATULATIONS BRAD 'GILLY' GILL LIFE MEMBERSHIP

2017 was quite a year for Brad Gill. He played his 200th game for the Henley Sharks and as vice-captain of the C's, led the team to an undefeated premiership. He also married his lovely wife Jade in March and later that year they announced they were expecting their first child.

To top the year off Brad was awarded Life Membership and the Henley Football Club wants to take this opportunity to both congratulate and thank Brad for his service both on and off the field for well over 10 years.

Before moving on to a recap of his football career, the Henley Family also wants to congratulate Jade and Brad on the birth of their gorgeous new daughter, Ava Rose Gill who was born on the 6th April.

Brad played his first game for Henley in 2005 after playing juniors at Portland Football Club. Since then he has captained the B grade four times and has played in four premierships; the 2008 B grade, 2009 C grade, 2012 B grade and 2017 C grade.

He was also awarded the best team man award in 2008.

He rates the four flags as the highlights of his time at Henley and acknowledges his previous coach, Ashley Place, as his biggest influence.

At this stage Brad has decided to hang up the boots for season 2018 and dedicate some more time to his young family. His on field leadership to the young players will be hard to replace and it's hoped that he becomes such a nuisance at home on the weekends that Jade kicks him out Saturday mornings and he resumes his football career. No doubt there are a lot of previous opponents who disagree and are celebrating not having to be 'shut down' by Gilly.

GYM & CHANGE ROOMS REFURBISHMENT

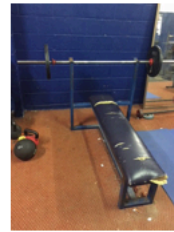

To complement the magnificent upgrade of the Henley Football Club, a refurbishment of the gym and change room facilities was commenced late in 2017 and continued during the off season. While the previous gym

equipment had served many players well for a long time, it was badly in need of upgrading and the opportunity to revitalise the entire area with a coat of paint was taken.

The entire project was funded entirely by senior players and coaches without any burden on the Henley Football Club and hundreds of hours were donated. Equipment was sourced over a number of months when opportunities for good deals presented themselves and some equipment was even donated. Some sponsors, in particular Pierson Electrical and Sagle Constructions also provided vital materials and labour and the Sharks thank them sincerely.

The main door is being replaced to allow easier access and in the very near future access to the gym will be possible for a yearly fee. Full financial members of the Henley Football club will be need to pay \$50 per annum to access use of the gym and non-financial members \$150 per year. Full details available in future posts.

The pictures tell the story.
