

SUMMER LETTER – VERSION 2¹

ABOUT MYSELF

Many of you already know me well. But we do have more classes now, so I thought it would be a good idea with a short introduction.

My name is Malte Trier Mørch and I am the head coach in Fencing Club Trekanten. I am still coaching at one beginner class in DGI-Byen every Monday. My primary focus however, is talent development and elite fencing in Trekanten. I also work for Dansk Fægte-Forbund (Danish Fencing Federation) as the head coach for the senior national foil team. I am also present at the cadet & junior European and World Championships as most foil fencer at the youth national team are from Trekanten.

I have written this summer letter, so that everyone clearly know when we finish the season and start the next one. I have also added some relevant information that I hope you will find useful.

You are, as always, welcome to write or call me if you have any further questions.

SEASON 2018-2019

Time has passed so incredibly fast and it is amazing that we are already at the end of this season.

I know I can speak on behalf of all coaches in Trekanten, when I say that we have experienced a super good wipe in all the beginner classes. The entire coaching team is super excited about continuing the great track we were on this season and greet everyone again after a long summer.

Many children started fencing this season, but there is still space for many more. I hope everyone in the coming season will be helpful in spreading the word of our great club and sport, so that more fencers will join our many beginner classes next season.

Many of those who started this season will be ready to participate in tournaments after summer. Fleuret-Cup is a series of four tournaments aimed at young beginner fencers who have little or no prior tournament experience. The Fleruet-cup will start up again in the fall.

We will plan trips to tournaments in Sweden, Germany and Holland for those you have more experience.

LAST FENCING DAY OF SEASON AND SOMMER EVENT

The last day of season 2018-2019 will be Sunday, June 23rd.

We are planning a special last training of the season “sommerindledning” (summer initiation event). It takes place at our fencing club at Ryparken. We start at 11am and continue to till 1pm. Every youth fencer in Trekanten is welcome to join.

¹ Version 1 of the summer letter had some mistakes in it, and more information about this season and next season has since become available, so this is why a new version has been produced.

SUMMER CAMP AUGUST 6TH – 10TH

It is still possible to sign up for the annual Trekanten summer camp in Saksøbing. You can read a lot more about the camp at this link: <https://camp.trekanten.org/>

You do not have to sign up for all four days – single day slots are also a possibility if a full camp seems overwhelming. Call or write me if you have any questions about the camp.

FIRST FENCING DAY OF SEASON 2019-2020

- All fencing at the Trekanten Salle at Østerbro will start Monday August 12th
- First training in DGI-Byen will be a week later and starts Monday August 19th & Thursday August 22nd

YOUTH LESSON LIST EVERY MONDAY

We will start up a new lesson list every Monday aimed at giving the youth fencers of Trekanten an extra opportunity to get a lesson. The list will be posted online one month in advance, and you will be able to sign up for the lesson using the “google sheets” app. The lessons will be about 20 minutes long, and followed by a 15-minute core strength program. Ed will be giving the lessons. Please note that Ed travel a lot with our talent/elite fencers, and some Mondays will therefore be unavailable for lessons.

BUS TRIP TO TER APEL, HOLLAD – NOVEMBER 2ND – 3RD

We plan a large bus trip every year to Ter Apel in Holland. It is a super important trip socially as all fencers and parents connect and make strong bonds. The tournament format allows all fencers to fence a lot and two days of fencing is a possibility for many. Please reserve the weekend in your calendar, more information will be available after summer.

AGE GROUPS NEXT SEASON 2019 - 2020

Fencing is not divided into weight classes. Fencers are divided according to gender, age and weapon. Here you will find an overview of the youth age groups next season, and what blade size that is being used in each group:
