FOR IMMEDIATE RELEASE:

VUHAUS WELCOMES
CHICAGO’S URBAN ALTERNATIVE
VOCALO 91.1

Boulder, CO (November 16, 2017) – VuHaus is excited to announce the addition of its newest affiliate, Vocalo 91.1 in Chicago. VuHaus, the music discovery video platform from public media, is a growing network of public radio music stations that share a common mission to support emerging and local artists. Vocalo joins 20 of the most influential public media stations that showcase their music video content at VuHaus.com.

“We’re excited about the opportunity to present music performances and interviews featured on Vocalo Radio and with a particular focus on highlighting the Chicago sound. Being on VuHaus allows us to join tastemakers across the system in collectively demonstrating why music is such a powerful way to connect with new audiences”

Vocalo will curate a new VuHaus Chicago page [https://www.vuhaus.com/Chicago] with unique and engaging video content. Vocalo content includes an interview with popular Chicago rap duo The Cool Kids, who’ve recently made an unexpected comeback with the release of Special Edition Grandmaster Deluxe, a live performance by Chicago avant-garde jazz fusion group Bottle Tree performing "Another Other", a live performance by futuristic Chicago Hip Hop project Air Credits, and an unreleased live performance video by Ravyn Lanae.

"Vocalo brings a local audience from the third largest U.S. radio market, plus a diversity of music and culture that widens the music discovery on VuHaus," states Mike Henry, Brand Manager of VuHaus. “Chicago has a vibrant local music scene that produces national talent, including Jamila Woods, who is one of the first Slingshot artists in VuHaus’ collaboration with NPR Music.”
