

**BMF WASHINGTON**  
BUILDING MAXIMUM FREEDOM

To Our Valued Partners,

BMF Washington, of Jackpot, Liberty Reach, and RSO+GO brands, is committed to providing you with the safest, highest quality cannabis extracts possible. We are honored by the trust we've earned from Washington cannabis consumers and reiterate our commitment to holding ourselves to the highest standard.

BMF products are always free from additives and cutting agents like Vitamin E acetate, polyethylene glycol (PEG), propylene glycol (PG), vegetable glycerin (VG), or medium chain triglycerides (MCT). Our vape cartridges are engineered and manufactured to the highest standard by Atlas Technology Manufacturing, with your safety in mind, and are free of dangerous heavy metals like lead.

All of our products are third-party tested and comply with the strictest state laws for quality, purity, and safety. Certified test results are available at your request from any retail outlet carrying BMF products.

Please don't hesitate to reach out to us at [customerservice@bmfwa.com](mailto:customerservice@bmfwa.com) if you have any questions or concerns about our products. Our door is wide open.

Sincerely,  
The BMF Family
