DEMOCRAT ★ WASHINGTON-10

## PRESS RELEASE - CO-ENDORSEMENT

November 19th, 2019

FOR IMMEDIATE RELEASE:

ATTN: **JOSHUA COLLINS** (WA-10) CO-ENDORSES **JASON CALL** (WA-02)!

The Joshua Collins Campaign is pleased to announce that we are Co-Endorsing the **Jason Call (WA-02)** campaign! Like our previous endorsed ally, **Lauren Ashcraft**, Jason will be **merging his policy efforts with ours**. That means that he will join us at the table, helping strengthen the movement here in Washington!

### HE IS THE SECOND OF MANY TO JOIN OUR MOVEMENT!

*Wanna sit with us?* Candidates interested in endorsement may submit themselves for consideration by emailing [endorsement@joshua2020.com](mailto:endorsement@joshua2020.com). We understand it is *not a traditional approach*, but we are only endorsing folks who adopt [our platform](#). We do our vetting in this house, and we are extremely impressed with our endorsed candidates. They will continue to bring depth on issues that really matter and almost *never* get attention. **You can learn more about Jason on his [website](#)!**

**We are eager to see truly socialist policy and activism gain ground in Washington! Our campaigns, along with many others, will be joining forces to create the most comprehensive socialist platform in US history; demanding nothing less for the working class!**

**"IT'S TIME TO DEMAND BETTER, **TOGETHER.**"**
