Roll Call Information

Roll call will be done on an individual, on-going basis. Each dog will be inspected just prior to running. Dogs will be inspected for signs of lameness, injuries, or other signs of distress. Females "in season" will not be permitted to run.

Entry Information

Advance Passes:

Passes can be obtained prior to the event by sending a completed Entry Form (separate entry form for each event) and a \$25 check to Dog Sports Unlimited at 875 Tater Rd. New Smyrna Beach FL 32168. An entry form must be filled out for each dog running. Any forms not completed correctly or with inaccurate information will not be accepted.

All dogs entering events will need an AKC number (PAL/ILP or Canine Partner). If your dog does not have a number, you can visit one of the following AKC websites:

Canine Partner (mixed-breed) <https://www.akc.org/caninepartners/enroll.cfm>

PAL/ILP (purebred) <https://www.akc.org/pdfs/ilpform.pdf>

Day of Event Passes:

Entry forms will be available on site. Fee will be \$30

Dogs must be at least 1 year old on the day of the event in order to compete.

Any persons that writes a check with insufficient funds to cover will be assessed a \$30 fee per check.

There will be a five dollar fine assessed for any loose dog interfering with a dog on the course in progress.

Refunds not provided if any portion of the event is cancelled due to acts of God.

Ribbons and Prizes

Light blue flat ribbons will be awarded for all dogs successfully completing a Fast CAT event.

Terms of Participation

All dogs must be on a leash except for when running.

Dogs are not permitted to run while wearing harnesses, prong collars, choke chains, or Martin-gale collars.

A minimum wait time of 30 minutes is required between runs.

No person is allowed on the field without the permission of the lure operator.

Be considerate and pick up all dog waste and dispose of it properly.

Sequencing of runs is based on first come first served but can be altered at the discretion of the lure operator or Field Trial Committee.

Dog substitutions are permitted but the dog must be inspected prior to running.

Each dog entered must be physically fit enough to run and have no known medical condition that would be adversely affected by participating in the event.

An electronic, continuous loop machine will be used to pull plastic strips or a squawker.

Light curtain gates will be used for timing.

In the event of rain, hand held timers may be used in place of light curtains.

The Field Trial Committee reserves the right to prohibit any dog and/or handler from the site.

Unsportsmanlike conduct is grounds for being excused from the field and possibly subject to further disciplinary action by the AKC.

Helpful Hints

Make sure you have your AKC number for any dog you plan on running.

It takes 2 people to run a dog—one to release and one to retrieve. Plan accordingly.

Bring water containers for your dog. We have plenty of water available at our location.

This location has few shade trees. Bring your own shade if you will be keeping dogs on site.

Parking is available near the site so your vehicle can be close to the track.

Arrive early to get your place in line.

Release of Liability

Neither Dog Sports Unlimited, the hosting club, or the venue operator/owner nor any of their agents, members, representatives or volunteers assume any responsibility for injuries, damages, or losses that may occur as a result of participation in the event.

Special Night Event Considerations

We have a lot of AKC dog sports enthusiasts living here in Florida. The winter circuit is non-stop with all types of activities for our dogs. Unfortunately, the summer circuit sees a significant drop in outside events. And summer can seem to go on forever. That's why the West Volusia Kennel Club and Dog Sports Unlimited have partnered to bring night FCAT to central Florida.

When the sun settles towards the horizon, the dogs can finally come out and play!

Running FCAT at night allows us to keep the action going through the Florida summer but there are some things that you need to consider when attending one of these events.

Visibility—It's dark outside at night. Bring one or more sources of light.

Flashlights work well or LED lamps. All the activity areas are lit but there's a lot of green between that isn't. We don't want to see anyone take a tumble so be sure you can get around safely in the dark.

Mosquitoes—It's Florida, at night. Nothing more needs to be said. Bring bug spray.

Clothing—Light colored clothes make it easier for other people to see you. Try not to dress like a Seal Team 6 commando.

Dog gear—If you've got a reflective collar or one with a light, this would be a good time to use it. Dark coated dogs can disappear at night. Anything you can do to help others see them is a plus.

Waste Removal—This is more important than ever. No one likes to find a fresh pile of poop the hard way. At night it's a lot easier to do that. Be considerate.
