

**Our Ref: MID2019/EFR**

26 November 2019

Dear Parents/Guardians

### **Year 10 Mock Interview Day**

As part of our careers education program for the past few years we have provided a Mock Interview Day for year 10 students.

The entire year group will have an opportunity to apply and be interviewed for a job by a 'real' employer. The date for the Mock Interview Day is Friday 6 December 2019. To make the experience even more realistic students are asked to dress appropriately for an interview or if any doubt to wear their school uniform.

Students have been preparing for this experience in advance by completing a CV and covering letter for a job/apprenticeship and discussing this opportunity during PDL classes.

Students will be invited to attend a fifteen minute interview. In the afternoon the employers will be feeding back to the year group and selecting the student from each group who would have been given the job.

If you have any questions please do not hesitate to contact me.

Yours faithfully

A Knight  
Assistant Headteacher
