

# Around North America

by the Dutch Liner ms Zaandam & The classic Vista-Dome Streamliner "The Canadian"

April 21 - May 17, 2020  
27 Days from \$6,495 per person

For many decades, one of the 'must-do' holidays on every travelers list has been the legendary cross-Canada train trip, from Toronto to Vancouver, across the Dominion in vista-dome comfort. At Train Holidays, we have long believed that only two things could make this idea better: A unique point A to point B voyage with spectacular ports of call to get us to Canada in comfort at the start of the holiday and leisurely hotel stays in each great part of Canada along with intelligent, comprehensive sightseeing. For those travelers to whom 'how' they get somewhere means as much as what they do, we offer up two great iconic showcases: a magnificent Dutch Ocean Liner of Holland America Line and the most acclaimed train in North America, Via Rail's showcase 'Canadian' where all of our guests enjoy sleeping car accommodations with all meals aboard included. Guests enjoy

access to the splendid art deco dining car and the signature dome cars with all-around viewing. Or, opt to upgrade to enjoy the famous 'Park Car' with its Bullet Lounge and Mural Bar.

As befits an elegant holiday, we have included some very stylish events 'ashore' as well, including grand dining in Montreal, Toronto, Banff and Vancouver at the some of the highest rated restaurants in Canada and best of all, a week in the Canadian Rockies to break up our Cross Canada train journey with seven days in Banff and Jasper. No other tour operator gives their guests this much time in the Canadian Rockies including visits to Lake Louise, Columbia Icefield and Maligne Lake as well as seldom-visited places like Moraine Lake, Maligne Canyon and Bridal Veil Falls. All sightseeing is included.
