### Words from Gianna:

*“Dancing at Studio 19 the last 10 years has been the most amazing experience of my life. I have made memories and friendships that will last a lifetime. I want to thank all my teachers for being there to inspire, uplift and help me grow not only as a dancer, but as a human.*

*I also want to thank my team for giving me the best senior year, and I will miss you all dearly.*

*Lastly, I was given the opportunity to teach at 19 for the last three years, and I want to share how proud I am of all of your growth. I feel so grateful to have been able to work with such driven, kind and inspiring students over the years. I can't wait to see you all shine. Your futures are so bright.*

*A word of advice I would like to leave with all the upcoming dancers: Treat every year like it's your last time. Time goes by so fast, and before you know it, it's all over. Be sure to soak up every moment. Studio 19 has made the biggest impact on my life, and I will forever cherish the memories.*
