

Traveling with Baby? Here's Everything You *Might* Need for Sleep:

- Play Yard, Pack n Play, or travel bassinet
- Sound Machine
- Crib bedding
- Pajamas
- Swaddles (if still necessary)
- Sleep Sacks
- Blankie/Lovie (if necessary)
- If flying...
 - Car seat approved for aircraft travel (most are approved, but double check that yours actually is!)
 - Baby carrier for maneuvering through airports
- Electrical tape to cover any unexpected lights on appliances or alarm clocks
- If there's no way around room-sharing with baby, divide the room using any of the following:
 - Hanging a blanket
 - Setting up a dressing screen
 - SlumberPod (enter code [LAKECOUNTRYSLEEP](#) for a discount)
- Room-darkening essentials to cover up windows (any of the following would work!)
 - Tape and foil
 - Tape and black trash bags
 - Dark sheets/blankets and tacks
 - SlumberPod (enter code [LAKECOUNTRYSLEEP](#) for a discount)
