

Mount Anville Sacred Heart
Education Trust

— INVITATION —

The mission of Mount Anville Sacred Heart Education Trust is to promote and celebrate the ethos and values of Sacred Heart Education.

Accordingly, we have invited **Sister Kathleen Hughes, rscj** and **Sister Barbara Quinn, rscj**, members of the Society of the Sacred Heart in the United States, to visit the Mount Anville schools during October 2016.

They will share their knowledge and experience of living the ethos and values of Sacred Heart Education with our pupils, staff, Boards of Management and Heads and Deputies of Sacred Heart Schools through a series of talks and workshops.

The Trust has organised a public lecture as part of this programme of events. It is with great pleasure that we invite you to join us for this lecture and to participate in the discussion.

The Lecture

‘Sacred Heart Education: Getting to the Heart of the Catholic Tradition’, speaker Sister Barbara Quinn, rscj with an open discussion facilitated by Sister Kathleen Hughes, rscj

Every human condition holds both promise and challenge. The Catholic tradition is no exception. The focus of Sacred Heart Education, however, is to probe deeply the riches of Catholic values as it educates the students to be leaders who will live and develop these values in a world in need of hope. This lecture will explore what this means today.
