# Rules of Engagement

Each Court has a different function

Each Court has a different protocol

The rules for the Mercy Court do not necessarily apply to the other courts

# Courts of Heaven

- Mercy Court – deals with accusations
- Court of Angels – get scrolls, mandates, authorizations
- Court of War/Strategy – get strategies, authorizations
- Court of the Scribes – records of your life & maturity
- Divine Council – generally national/state/city matters
- Court of Chancellors – administration of protocols from all judicial systems

# Courts of Heaven (cont'd)

- Court of Kings – sons who have their mountain
- Court of the Upright (Men in White Linen) – deal with certain aspects of the affairs of men
- Court of the Ancients (70) – legislate for nations
- Court of Judges – high judicial decrees
- Court of Counsels of the Fathers – very high judicial decrees
- Court of the Lord – The Supreme Court

# Zechariah 3:7

- "Thus says the LORD of hosts:
  - If you will walk in My ways, and
  - If you will keep My command, then you shall also
  - Judge My house, and likewise
  - Have charge of my courts;
  - I will give you places to walk among these who stand here.

# The Principle

- Responsibility
- Matt 25:29
  - 'For to everyone who has, more will be given, and he will have abundance; but from him who does not have, even what he has will be taken away.

# Mercy Court

- *Deals with accusations*
- You do not make decrees in the Mercy Court, you **get** decrees
  - Making decrees is the job of the judge – not the defendant
- To make decrees in the Mercy Court is to operate out of protocol and can result in repercussions
- You get justice from adversaries in the Mercy Court

# Court of Angels

- *Get mandates, scrolls, authorizations*
- You go here to accept the mandate for your life, ministry, realm of authority
  - Once you have accepted the mandate, you are then able to receive the strategies to fulfill that mandate
- You receive judgments (mandates/papers) in this court
- You don't make decrees from this court

# Court of Strategy

- *Receive Strategies*
- You appeal to the judge for the strategies for your realm of authority & request authority to release captives
- You receive judgments (mandates/papers) in this court
- You don't make decrees from this court
- *The only ones who can make decrees are judges!*
  - *Judgments can determine who lives or dies...*
  - *Are your ready for that?*

# Rendering Judgments Wrongly

- Can cause interference in what God really wants to do
- Can cause you to lose your case
- Can cause you to be censured for bad conduct
- Can slow down the processes already at work
  - Interference can be a seed for rebellion

# Court of the Scribes

- *Maintains records of your life & maturity*
- Helps ascertain your qualifications for higher courts
- You can appeal for clarification of your record or get records expunged
- You don't make decrees from this court

# Divine Council

- *Generally national / state / city matters*
- Intertwined with the Order of Melchizedek
- Where members of the council present submissions / petitions before the LORD

# Court of Chancellors

- *Administration of protocols from all judicial systems*
- Verifies that you are qualified to proceed (like an Appeals Court determines if all procedures were met)
- Sends the defendant back to the proper lower court to correct deficiencies, OR
- If all procedures were met can concur with the prior ruling
- You don't make decrees from this court

# Court of Kings

- *Administered by the sons who have their mountain*
- You are allowed to make decrees and pass judgments based on the provisions of God's Word
- Your place of rulership is in your sonship, not your apostleship
- Will you operate out of mercy or judgment?
- You function concerning the realm of your authority – not outside of your realm

# Court of the Upright

- *(Men in White Linen) – deal with certain aspects of the affairs of men*
- These men in white linen may be appropriated to perform things in the earth
  - Abraham concerning Sodom & Gomorrah
  - At Jesus tomb
- You are ruling with them

# Court of the Ancients (70)

- *Legislate for nations*
- This court (council) is made up of qualified sons who, with the Lord, make determinations concerning nations and people groups
- Judgments are rendered out of this council

# Court of Judges

- *Renders High Judicial Decrees*
- This council determines things pertaining to the earth and the galaxies
- Judgments are rendered here by the council

# Court of Counsels of the Fathers

- *Renders Very High Judicial Decrees*
- This council is a very high ruling council
- Deals with a variety of issues
- Judgments are rendered here by the council

# Court of the Lord

- The Supreme Court
- Final determinations are made
- No higher appeals can be made than to this court
- The LORD himself, rules here

# Accessibility of the Courts
